## 4 What's your budget?

Your cruise fare is determined by several factors—destination and length, time of year, stateroom choice and availability.

Stateroom fares are quoted per person and based on double occupancy—with elegant and casual dining options, onboard entertainment like production shows, musicians and comedians, a Las Vegas-style casino and much more included with your fare.

## 5 Do you have a preference of ship?

Princess has everything from grand ships carrying over 3,000 guests to smaller, more intimate vessels accommodating just 680. Ask your travel agent for more details, or visit [princess.com/ships](http://princess.com/ships) to learn more about each of our ships or to take a virtual tour of their public areas.

## 6 What sort of stateroom best fits your needs?

Princess has a wide variety of staterooms from which to choose, each including a range of amenities from flat-screen TVs and a refrigerator to a spacious closet and private bathrooms. Balcony staterooms give you added space and your own place to relax outside on fine patio furniture and enjoy the unforgettable views. Suites and mini-suites offer even more square footage and premiums such as a sofa bed and upgraded amenities, including a luxury mattress and pillows. An oceanview double includes a large picture window, providing added ambience and memorable views, and our most affordable option is the interior stateroom, which has fine amenities and no windows. To learn more, visit [princess.com/staterooms](http://princess.com/staterooms).

## 7 Are you travelling with kids, friends or family?

Travelling with family or a group of friends can be a wonderful way to get away from it all. Book early for the best selection of staterooms. Be sure to inquire about having your group's staterooms close to one another. For those sailing with kids, our onboard youth and teen programs are excellent, and family-friendly shore excursions are available.

## 8 Do you need help booking air, hotel or transfers?

Princess can assist you with travel logistics not included in your fare, such as air, hotel and transfers to and from your ship to your airport or hotel. Princess eZAir® is a convenient and easy planning tool from Princess that offers competitive fares and Next Port Protection, getting you onboard at the next available port in the event you miss your embarkation. To learn more about Princess eZAir and transfer options available, ask your travel agent or visit [princess.com](http://princess.com).

## 9 What kinds of land and shore excursions most interest you?

From sightseeing and nature tours to off-the-beaten-path adventures and more, you can experience the best of every destination on an award-winning shore or land excursion offered by Princess. And it is easy for you to choose the right tour, with excursions categorised by interest and activity level. Pre-reserve your shore excursions for the best selection and availability. Contact your travel agent or visit [princess.com/excursions](http://princess.com/excursions) to learn more.

## 10 What if you need to cancel?

It is important to note there are restrictions regarding fare refunds, and cancellation fees may be assessed based on the length of your cruise and how many days prior to your cruise departure date that Princess Cruises is notified of your cancellation. Visit [princess.com](http://princess.com) for specific details. For a great option to protect your holiday, refer to the Princess Holiday Protection information pamphlet on [princess.com](http://princess.com) or contact your travel agent for more details.
