## DAY-BY-DAY HIGHLIGHTS

### 11 January | Sydney, Australia

Step onboard Sea Princess® and farewell Sydney as you prepare to be mesmerised by South America and beyond.

### 15 January | Auckland, New Zealand

Auckland's harbour is surrounded by more than 48 extinct volcanoes, including One Tree Hill, once home to Maori earthworks. For 360-degree city views, take the transparent elevator to the glass-floored observation deck of the Sky Tower.

### 18 January | Nuku'alofa, Tonga

Nuku'alofa is the capital of Polynesia's last monarchy. Never colonised by the West, Tonga remains one of the last expressions of pure Polynesian culture and is home to some of the most important archaeological sites in the Pacific.

### 18 January | Pago Pago, American Samoa

Cross the International Date Line before arriving in American Samoa's capital, where Mt. Pioa, or 'The Rainmaker', is never far from view. For a traditional island welcome, an ava ceremony is the perfect introduction.

### 22 January | Tahiti (Papeete), French Polynesia

This picture-perfect island is a charming blend of Polynesian "joie de vivre" and Gallic sophistication, and with a prolonged stay in this traveller's paradise, you'll have plenty of time to take in a glorious Tahitian sunset.

### 26 January | Pitcairn Island, British Overseas Territory (scenic cruising)

As you cruise past one of the most remote places on earth, a port lecturer will point out this mysterious island's significant sites, including the legendary HMS Bounty shipwreck which can still be spotted in the waters off Bounty Bay.

### 29 January | Easter Island, Chile

Sea Princess® anchors off this small but extraordinary island, offering an opportunity to discover the giant stone monoliths that have made it famous. Join our shore excursion and visit the island's oldest Moai complex, where the massive statues reside.

### 3 February | Santiago (Valparaiso), Chile

From Chile's oldest city, explore Santiago's peaks with a funicular ride to its second highest point, Cerro San Cristóbal, where the glorious 22-metre Virgin Mary statue overlooks the city. Don't miss Santiago's great museums and restaurants during your overnight stay.

### 5 February | Puerto Montt, Chile

Marked by the snow-capped Osorno Volcano, which gazes down on alpine valleys, Puerto Montt is your gateway to Chile's magnificent Lake District. Here, glaciers have carved out this terrain, leaving jewel-like lakes in their wake, like the brilliant Lake Esmeralda.

### 7 February | Puerto Chacabuco, Chile

Puerto Chacabuco is your gateway to Chile's wild and beautiful Aysén region. Here, the gorges and forests of Río Simpson National Preserve meet with the fjords and islands composing the coastlines of Northwest Patagonia.

### 8 February | Amalia Glacier, Chile (scenic cruising)

While cruising through the sparkling waters of Chile's legendary inlets, the presence of spectacular glaciers will take your breath away. The unspoiled scenery is also filled with abundant wildlife including sea lions and Peale's dolphins.

### 9 February | Punta Arenas, Chile

The world's southernmost town lies atop rolling hills and looks out over the Strait of Magellan. Take in the surreal beauty of Torres del Paine National Park and cross the pampa (treeless grassland) to a 100-year-old cattle ranch for lunch.

### 10 February | Ushuaia (Tierra del Fuego), Argentina

This former penal colony is the jumping off point for the Beagle Channel's ice-scapes. Take the Southern Fuegian Railway (or End of the World Train) to Tierra del Fuego National Park and soak up its wondrous waterfalls, forests and mountains.

### 11 February | Cape Horn, Chile (scenic cruising)

Before the Panama Canal was completed, this was a significant trade route. As you sail around Cape Horn, you'll enjoy the same views as the earliest explorers discovered centuries ago, including unusual rock formations and granite cliffs.

### 12 February | Stanley, Falkland Islands

On the tiny inlet of Bluff Cove, you can get up close to playful Gentoo penguins. The Falkland Islands also enjoy some of the world's largest rockhopper penguin colonies, which you can watch as they head out to sea.

### 14 February | Puerto Madryn, Argentina

Let your taste buds carry you away to the old Welsh town of Gaiman, where traditional tea houses scatter the quaint landscape. Or head to the UNESCO World Heritage Site, Peninsula Valdes, a protected reserve for seals, whales and penguins.

### 16 February | Montevideo, Uruguay

Wander Montevideo's charming streets and uncover its 19th-century Beaux Arts architecture. Or join a shore excursion to a traditional ranch or estancia, and be greeted by the delicious smells of an open-flame barbecue known as an asado.

### 17 - 18 February | Buenos Aires, Argentina

A two-night experience is perfect for this city, which truly comes alive after dark. During the day, you can explore the historic La Boca neighbourhood, characterised by brightly-coloured houses, a vibrant street art scene and tango cafes.

### 21 - 22 February | Rio de Janeiro, Brazil

The locals will delight in telling you 'there's no place like Rio'. And with an overnight stay here, you'll certainly discover why. From Copacabana's sweeping promenade to the immense Christ the Redeemer, experience the city's never-ending rhythm of life.

### 24 February | Salvador, Brazil

The capital of Brazil's Bahia State boasts pristine beaches and lush tropical vegetation. The city is also home to Latin America's densest concentration of Baroque architecture. Little wonder this former Brazilian capital is a UNESCO World Heritage Site.

### 26 February | Fortaleza, Brazil

The oldest part of one of Brazil's biggest cities is Centro and it's where you'll find the imposing Fortaleza Cathedral. Sample Brazil's favourite sugarcane liquor at the Cachaça Museum or horse ride along stunning Cumbeço Beach.

### 3 March | Bridgetown, Barbados

Barbados exudes a charm all its own. From its celebrated blend of English tradition and African heritage, to the soft pastels of old chattel houses and a glistening, azure sea where you can snorkel with dainty seahorses.

### 5 March | Curaçao (Willemstad), Netherlands Antilles

Beneath sunny skies cooled by the trade winds, Curaçao reveals a stark and volcanic landscape. In contrast, its charming capital Willemstad - a UNESCO World Heritage Site - offers traditional Dutch architecture infused with the colour of the Caribbean.

### 7 March | Cartagena, Colombia

One of South America's best-kept secrets is out. From the influence of the Spanish Empire on every colourful corner to the well-preserved Old City, made up of 12 square blocks of boutiques and restaurants, Cartagena is a must-visit destination.

### 8 March | Panama Canal Transit

A dream more than 400 years in the making, the Panama Canal opened in 1914 and changed the world forever. As your ship passes through the world's greatest shortcut, expert narration will enlighten you and Panamanian cuisine will delight your tastebuds.

View from deck in the Panama Canal Locks

Las Bovedas in Cartagena, Columbia

### 10 March | Puntarenas, Costa Rica

Puntarenas is your gateway to Costa Rica's wonders - and to its capital city of San Jose. Enjoy an exploration of its lush tropical rainforests or spot the exotic Scarlet Macaw.

### 12 March | Quito (Manta), Ecuador

Quito is a UNESCO World Heritage Site and one of South America's best preserved cities. Send a postcard from the middle of the earth at the Equatorial Museum or visit Montecristi, birthplace of the Panama hat.

### 14 - 15 March | Lima (Callao), Peru

Walk among the remnants of the Inca Empire at Pachacamac Ruins or watch the famous Peruvian prancing horses.

### 25 March | Tahiti (Papeete), French Polynesia

Return to paradise and pick up where you left off. Take a dip in aquamarine lagoons lined by white sand, explore lush rainforest and rugged mountains or venture to Faarumai Waterfalls, one of Tahiti's most photographed cascades.

### 1 April | Auckland, New Zealand

Straddling a narrow isthmus created by 60 volcanoes, New Zealand's former capital boasts scenic beauty, history and a cosmopolitan collection of shops, restaurants and galleries. Rangitoto, its largest and youngest volcano, sits in majestic splendour just offshore.

### 2 April | Bay of Islands, New Zealand

The Bay of Islands offers more than broad vistas of sea and sky, more than beaches, boating, and fabulous water sports. Rich in legend and mystery, the Bay of Islands has age-old ties to the Maori and to whalers, missionaries and New Zealand's early settlers.

### 5 April | Sydney, Australia

Arrive into Sydney at the end of your remarkable journey.

## A stateroom for every taste and budget

Whether you're looking for more room or a great value, Princess has a stateroom to match. Each includes fine standard Princess® amenities such as 100% cotton, high thread count linens and duvet, down pillows, pampering sundries and more.

### Suite with balcony

The suite, our most luxurious option, offers ample space with a sitting area and large balcony, plus many extra amenities.

### Mini-suite with balcony

A mini-suite with balcony features more space than our balcony staterooms, with a separate sitting area and spacious balcony.

### Balcony

Princess pioneered the affordable balcony stateroom — a great way to ensure yourself a front-row seat for spectacular scenery.

### Oceanview double

The oceanview stateroom includes all our standard Princess amenities, with a broad picture window to bring in light and views.

### Interior double

Our most affordable option, the interior stateroom features two twin beds that make up into a queen-size bed.

### Wheelchair-accessible staterooms

Princess offers a selection of staterooms that provide full wheelchair-turning space. In addition, these staterooms include a roll-in shower equipped with grab bars and a fold-down bench seat, an easy access closet and a writing desk with wheelchair access. Cabins range from approximately 22 to 35 square metres based on stateroom category. Visit [princess.com](http://princess.com) for more details.

\*Available on select ships.

†Video On Demand system replaces DVD/CD players on select ships.

Note: Floor plans, amenities and stateroom images represent typical arrangements and may vary by ship. Certain stateroom categories may vary in size and configuration by ship. Square footage varies based on stateroom category and deck location. Stateroom views are considered unobstructed unless noted otherwise. Obstructions do not include certain nautical items like handrails, dividers or ship hardware. For balcony staterooms, the view is determined from the perspective of the balcony railing. Balconies may have either solid steel or glass railings. Upper berth and bed ladder capacities are 113kg. Staterooms that can accommodate rollaways have two lower berths and one upper berth, and the staterooms can accommodate a fourth berth as a rollaway bed upon request at time of reservation. There are a limited number of rollaway beds per ship, per voyage. Use of rollaway beds restricts cabin space.
