More intimate ports – more must-see destinations

Our cruises visit the “must-see” destinations, such as Venice, Rome and Athens (where we include two nights at a top hotel), and for 2016 we have expanded our programme to include cruises to Portugal, northern France and England.

You'll also discover off-the-beaten track gems like Butrint in Albania – classical ruins framed by mountains and wetlands – and Lecce in Italy, full of architectural gems from the Baroque era. Enjoy an evening on the Greek islands of Ithaca and Hydra, otherwise only accessible by private yacht or public ferry. Join us as we sail along the Guadalquivir River in

Andalusia to berth in the heart of historic Seville, or on a tour to the best of Morocco by land and sea. Whichever voyage you choose, the scope and content of each itinerary is unsurpassed.

The finest traditions of cruising

Classically elegant and carrying around 350 passengers, our ship *MV Aegean Odyssey* can access more intimate ports and cruise close to the coast for magical views. She offers outstanding levels of comfort and service, open-seating dining, and a cruise experience that is second to none.

On board, you are greeted as a returning family member, even if it's your first time; our passengers love the warm and intimate

atmosphere. And unlike a vast megaliner, it's easy to meet fellow passengers whose passions and interests are similar to yours.

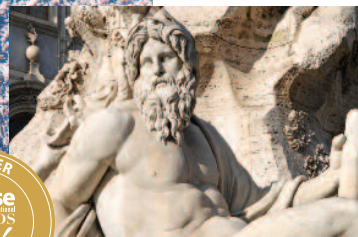

Outstanding value – so much is included

Our cruises offer exceptional value for money by including the things that matter most. Expert guest speakers enlighten you on board, while excursions with local guides enthral you ashore. Exciting land tours and overnight stays in port enhance each journey, plus excellent cuisine and included wine with dinner, and low fares for single travellers – all of which adds up to outstanding value for money. These are some of the reasons why 97% of our passengers plan to cruise with us again.

Drawing on many years' experience and knowledge, we have created a unique cruise holiday that combines the comfort and service of small-ship cruising with meticulously planned itineraries to Europe's breathtaking archaeological sites, historical cities and stunning scenery.

VOYAGES TO ANTIQUITY
BEST FOR ADVENTURE

EXPERIENCE THE BEST OF SMALL-SHIP CRUISING

Aegean Odyssey combines the best of traditional cruising with all the modern conveniences of a first-class ship. Classically elegant, but far from stuffy, she also provides wonderful service and an intimate atmosphere on board. Carrying around 350 guests, *Aegean Odyssey's* advantage is her size, and the ability to visit ports too small for larger vessels, navigate close to scenic islands, and even cruise inland.

A taste of the Mediterranean

The gastronomic culture of using the very best fresh local ingredients cooked in a simple but delicious style is the inspiration for the menus on board *Aegean Odyssey*.

The elegant Marco Polo Restaurant has full waiter service and a casual country-club elegance. The Terrace Cafe, offers a combination of indoor and outdoor seating replicating the charm and ambiance of a seaside trattoria.

Refresh the body as well as the mind

On board you will enjoy a programme of lectures and discussions, designed to bring to life the wonderful sites you visit on your journey. There will normally be a number of guest speakers on your cruise, each with different areas of expertise.

The library is beautifully appointed and well-stocked. Newspapers are delivered via satellite and are available in the library. Relax on the sun deck and cool off in the outdoor pool. Pamper yourself at the Athena Health Spa, where you will find wonderful therapies and treatments to revive you. Our hairdressers and beauty centre is also on hand, plus there's a full fitness studio and early morning yoga sessions to set you up for the day.

Before dinner, enjoy a drink in the Charleston Lounge or watch the sun go down from The Terrace Cafe. After dinner,

perhaps take in a lecture about the places you'll visit the next day, or enjoy the string trio, pianist and vocalist performance. In some ports we organize local entertainment to perform on board.

Service with a smile

Ask any world traveller where they receive the best service and they will undoubtedly answer the Far East. Of all the nationalities in this part of the world, it is the Filipinos who carry the highest reputation for attention to detail. Fluent in English and always ready with a smile, our Filipino crew will win your heart.

Cruise to classical sites, historic cities and the natural beauty of the Mediterranean

Our 2016 voyages all offer outstanding quality and value. With virtually everything included in the fare, and special **EARLY BOOKING SAVINGS**, you will enjoy a holiday experience you will never forget.

Celebrated guest speakers bring to life the history and cultures you visit

Accompanying you on each cruise are celebrated guest speakers who have been carefully selected for their knowledge of the areas we visit and their ability to bring the history of these remarkable civilisations and cultures to life. Lecturers include historians, professors, archaeologists and more, all well regarded in their respective fields.

There are usually several guest speakers on a cruise, each with a different area of expertise. Topics are varied, including themes such as the architecture of the Roman Empire, funerals in Ancient Greece and Byzantine art. Lectures generally take place in the comfort of the Ambassador Lounge, often after dinner in preparation for the next day's port of call or during a day at sea.
