WELCOME TO THE CANARY ISLANDS

Just four and a half hours flying time from the UK, the Canary Islands with their jagged cliffs, sweeping beaches and volcanic interiors are famed for their subtropical climate and enjoy more than three hundred days of sunshine a year ensuring that warm winter holidays and hot summers are almost guaranteed. There is such diversity amongst the islands that, although it is a cliché, there really is an island to suit all tastes. From verdant valleys to deserts and snow capped peaks, towering sea cliffs to beaches of golden or black sand, we can book a single, twin or multi centre so you can discover as many of the islands as you wish.

TENERIFE

The largest of the Canary Islands and with the highest mountain in Spain, Mount Teide, the triangular shaped island of Tenerife features the grandest scenery as well as some good beaches and magnificent sea cliffs and there are bustling new cities and traditional old towns to visit. Tenerife's coastline stretches for 269km and is made up of spectacular cliffs and coves which are dotted along the golden sand (Santa Cruz) or black volcanic sand beaches. Tenerife has the greatest number of tourist attractions and is the most popular of all the islands and its three nearest neighbours are the slightly lesser known Canary Islands, and in descending order of size, La Palma, La Gomera and El Hierro.

LA GOMERA

Lying to the west of Tenerife, La Gomera is the most relaxing of all the Canary Islands with dense forestry, beautiful cedar groves and breathtaking ravines. Small villages are scattered inland amongst the terraced valleys and the mountains sweep the coastline as dramatic sea cliffs. In the centre of the island is the protected Parque Nacional de Garajonay with its dense, lush flora and fauna; great for walkers. More than a third of this small island, which is less than 21km from north to south, is protected by UNESCO, and due to the mountainous terrain there are some particularly quaint old customs such as the whistling language, historically used by the locals to communicate between the valleys.

LA PALMA

New to Classic this year, the greenest and most rural of the Canary Islands, La Palma, is truly beautiful with remarkable scenery ranging from soaring forest-covered mountains to volcanic lunar landscapes contrasting with wide, fertile valleys, dramatic sea cliffs, and black sandy beaches. Ideal for a tranquil break, this most north western of the Canary Islands also caters for numerous outdoor pursuits including horse riding, hiking, mountain biking and scuba diving.

GRAN CANARIA

With a winning combination of great weather, good beaches, sophisticated nightlife, interesting history, marvellous scenery, and the equivalent to duty free shopping, Gran Canaria is a great year round destination and runs a close second to Tenerife in terms of popularity. Nicknamed a mini-continent, the island has coastline scenes of dramatic cliffs giving way to golden sandy dunes, with rugged mountains, tropical forests and tranquil valleys. It boasts bustling towns and sleepy old villages, and modern resorts ranging from the very lively and popular, to those providing relaxation and tranquillity.

FUERTEVENTURA

Fuerteventura is blessed with miles and miles of lovely soft sands and its beautiful coastline attracts visitors seeking glorious beaches and fantastic waters. Inland, the rugged peaks of extinct volcanoes are separated by wide lowland plains dotted with small traditional villages and old-fashioned windmills. The relaxed and typically Spanish way of life combined with more than 150 splendid beaches of soft sand and virtually constant sunshine, entices sun worshippers and watersports fanatics, and beginners, all year round. The modern resort of Caleta de Fuste is popular with families and Corralejo, Fuerteventura's premier resort, boasts some of the island's best beaches and close-by is one of the area's major attractions, the Dunes Nature Reserve with its immense 10km stretch of desert-like sand dunes. Geographically, Fuerteventura is the second largest of the Canary Islands. It lies 19km to the south of Lanzarote and is the closest to the African continent with Morocco lying 96km to the east.

LANZAROTE

Lanzarote is the most easterly and the fourth largest of the Canary Islands. It is 60km long and 19km wide and despite its volcanic moonscape nature it, somewhat surprisingly, boasts many white sandy beaches such as those found at Playa Blanca and Punta del Papagayo although numerous beaches are covered with black volcanic sand like the beach at Playa Quemada. Lanzarote is famed for its watersports and the ideal weather conditions, coasts of clear waters, and the fine sands, ensure its popularity with windsurfers, surfers and sailors, and the plethora of underwater caves, reefs, shipwrecks and fish such as barracuda and angel shark, are fantastic for diving, snorkelling and big game fishing. On dry land Timanfaya National Park is a must see for any visitor to the island where the Fire Mountains, the now-dormant volcanoes which devastated Lanzarote, feature a legacy of amazing lunar type terrain harbouring numerous rare plant species. Resorts range from the bustling and popular Puerto del Carmen to the quiet beach resort of Puerto Calero, the well-established Costa Teguise and pretty Playa Blanca boasting a white sandy beach.

CLIMATE

Lying 965km south of the Iberian Peninsula and approximately 113km west of the African Coast, the Canary Islands should typify a desert region, but due to the effects of the mountains, trade winds and warm coastal waters, they enjoy a wonderful year round climate. Temperatures between the seasons vary only slightly with monthly averages ranging between 18 degrees Celsius in winter to 24 degrees Celsius in summer. Due to their volcanic origins, the islands are mountainous and temperatures can vary not only between them, but also at various heights. On Tenerife, Mount Teide, Spain's highest mountain rises to 3,719 m and occasionally it is possible to see snow at the top whilst sunbathing on the beaches.

LOCAL CUISINE

Visitors who treat local gastronomy as a major part of their holiday experience will not be disappointed in the Canary Islands where excellent Spanish restaurants serve international and local cuisine. Tapas bars displaying their hot and cold tidbits so that you can simply point at the dishes you fancy are plentiful and popular, and for a truly authentic meal look for the sign Tipico where you will be able to choose from a host of Canarian specialities including pescado salado (fish cooked in salt), fresh tuna, calamari and octopus which can all be enjoyed with papas arrugadas, wrinkly potatoes boiled in seawater and served with delicious garlicky mojo picon, a traditional Canarian sauce. Meat is common on most menus and even rabbit served in a spicy sauce can be enjoyed as a traditional dish, conejo en salmorejo.

DUTY FREE STYLE SHOPPING

A low luxury tax mean it's worth shopping for cameras, perfumes, silver jewellery, silks and paintings, and great value Birds of Paradise flowers, strelitzias, can be boxed for your return journey. Open air markets, Mercados, provide colourful shopping opportunities for Sunday mornings.

FESTIVALS

Tenerife is renowned for its Carnivals and although the island enjoys a very European culture, religious festivals and fiestas are enjoyed with an authentic Canarian enthusiasm. On Gran Canaria there is a continuous programme of musical events, ranging from classical recitals to rock, jazz and celtic festivals. Local fiestas tend to take place in the villages around the island of La Gomera on saints' days and proud of its links to Columbus there are celebrations held in his honour annually.

WALKING

The combination of climate and unusual geological features on these islands has led to an interesting array of flora and fauna. With more than 650 native species, the islands provide an important ecological area and local laws, which protect areas of specific scientific interest, create numerous nature reserves and rural parks that are well worth exploring. On Tenerife, the Teide National Park is the largest in the archipelago and boasts Spain's highest mountain, Mount Teide and on La Palma, declared a World Biosphere Reserve, there are no less than 19 protected areas to explore. The Timanfaya National Park on Lanzarote is a wonderful landscape of volcanic terrain and fields of solidified lava whilst in the centre of La Gomera is the protected Parque Nacional de Garajonay with its dense, lush flora and fauna. On Fuerteventura there are hidden gems and unspoilt countryside to explore and Gran Canaria's mountainous interior features spectacular crags and caves, and ramblers will delight in the views from Pico de las Nieves.

La Palma

WATERSPORTS

A year round sunny climate, a fabulous coastline of sandy beaches, clear waters and favourable trade winds make the Canary Islands ideal for a whole host of watersports including surfing, windsurfing, kite surfing, sailing, and diving and visiting dolphins together with excellent deep-sea fishing grounds certainly adds to the attraction of these islands. Lanzarote and Fuerteventura both offer excellent weather conditions for windsurfing and surfing, whilst Tenerife's clear waters makes it one of the best islands for diving and Gran Canaria is great for sailing and whale-and-dolphin spotting.

WINE TASTING

Wine of excellent quality is produced on Tenerife, Gran Canaria and Lanzarote and many of the bodegas (wine cellars) offer wine tasting and the opportunity to purchase directly from the cellar. Additionally, some have small museums and even restaurants where delightful cuisine can be enjoyed. The oldest wine cellar, El Grifo in Lanzarote dates back to 1775 whilst the lovely bodega Casa del Vino la Baranda, Tenerife is a converted 17th century farmhouse with a small wine museum and a restaurant with panoramic views, and in Gran Canaria Monte Lentiscal and Monte Coello are both regarded as the best wine-producing areas on the island. Wine buffs will be interested to learn that the filoxera plague that devastated many of the so-called noble varieties in Europe during the 19th century, never reached these islands therefore allowing the vineyards to be spared! Particularly noteworthy is the ancient rootstock Malvasia which survived on the isolated Canary Islands whilst being all but wiped out on the European mainland.

VILLAS & HOTEL VILLAS

Villas provide luxury, exclusivity and privacy for small groups of friends or family, and although we specialise in luxury hotels, we are pleased to feature a handful of superior villas in the Canary Islands, either as exclusive villa accommodation or villas connected to one of our hotels. In the south of Tenerife, Las Villas Gran Hotel Bahia del Duque (page 28) are beautifully decorated with a spacious living room, small kitchenette, private pool and terrace or garden. The stylish Royal Garden Villas (page 36), located a short taxi ride away from a wide choice of restaurants in La Caleta, are uniquely designed using the stepped hillside to take advantage of the fantastic views. They comprise twenty seven luxury villas accommodating from two to six guests, each boasting a private solar-heated plunge pool and luxurious amenities. On the southern tip of Lanzarote, Villas Heredad Kamezi (page 85) are spacious deluxe villas each with their own small sea water pool: two, three and four bedroom villas are available.

CLASSIC TAILOR-MADE SERVICE

Our customers expect excellence, and from the moment that you contact us, you'll know that we offer a professional and flexible service. We know and love our resorts and hotels, and if there's any additional detail that you need, we'll simply contact our overseas staff or hotel partners to ensure that you are booking exactly the holiday you've dreamed about. We can easily book a scheduled, charter or no frills flight from your local airport, and we normally include private airport transfers for your arrival and departure, although we can book a hire car if you prefer. All our hotels have superb choices of premier rooms, junior suites and suites – sometimes even presidential suites! And to ensure that you make the most of your holiday, we include a complimentary mini-guide book with your travel documents and once in resort, there's a representative eager to help.

FLIGHTS FROM ALL UK AIRPORTS: YOUR CHOICE

There are so many airlines to choose from and we are able to include any available flight in your holiday. Please see page 95 for further flight and upgrade details including services provided by scheduled, no frills or charter airlines.

FLIGHT UPGRADES & SERVICES

On scheduled services we are able to book business class seats in addition to the economy cabin. Additionally, we can book speedy or priority boarding on certain no frills flights, and, where available on charter carriers, we can book premium seating which may include complimentary drinks, meals and additional legroom. Wherever possible we will offer you the choice to pre-book in-flight meals, extra legroom seats, pre-allocated seats and additional luggage allowances. We can, of course, contact the airline on your behalf regarding golf carriage and/or airport and airline assistance. The airline industry has changed markedly during the past few years, and in order that we can book the upgrades and services that suit you best, please enquire about their availability when you contact us about your holiday.

AIRPORT HOTELS, PARKING & LOUNGES

We want your holiday to start the moment that you leave home and through our travel partners FHR, we are able to offer a choice of airport hotels and car parks in the UK. Also, through our travel partners, Lounge Pass, we are delighted to offer an airport lounge facility both in the UK and at the majority of our overseas airports. Booking an airport lounge means that you can avoid the crowds and relax with complimentary drinks and newspapers in an exclusive airport lounge before your flight.

PRIVATE TRANSFERS & CAR HIRE

Most of our holidays automatically include private transfers from the airport to your chosen hotel so you will arrive feeling refreshed and ready to enjoy your holiday. In some destinations, these private transfers may be operated by public taxi or minibus although they will always be arranged for your own private use. You may book car hire for any duration. You can have a hire car delivered to your hotel, or if you prefer you can collect your pre-booked car on arrival at the airport. If you pre-book our recommended car hire for the entire duration of your holiday, picking the car up at the airport and therefore opting not to make use of our private transfers, we will give you a reduction on the brochured holiday price that equates to the private transfer cost. In order to qualify for this reduction, you must book the car hire with our reservations team at the time you make your booking. See page 95 for details of car hire.

COMPLIMENTARY CHILD SEATS

We're delighted to give our younger travellers a practical gift to take on holiday, and if your booking includes children aged up to 11 years (excluding infants), we'll put you in touch with BubbleBum www.bubblebum.co.uk who will send your complimentary inflatable booster seat/s directly to you or your travel agent.

BROCHURE DETAILS & PRICES

We take great care in producing our brochures and meticulously check every detail. Although our guide prices are correct at time of printing, it is inevitable that prices and details will change after going to press. We will confirm the current price when you book, and as part of our commitment to high quality customer service, we will advise you of changes to any relevant details. Please do note that all holidays and Classic value offers shown in this brochure are subject to availability.

OUR RESORT SERVICE

Our overseas staff love their resorts and will be delighted to share their considerable knowledge with you. Classic customers tend to be well-seasoned travellers and, because we know that you prefer to exercise your independence, our resort management services are discreet and unobtrusive. We generally endeavour to contact you at the beginning of your stay to ensure that everything is to your liking and will be delighted to give advice on places to visit, sights to see, traditional restaurants, local wines and culinary tips. Additionally you'll be given a 24-hour local contact number in case you need additional assistance during your holiday.

WHEN TO TRAVEL

Some of the resorts in this brochure feature hotels which provide year-round holidays, but you may find that in some areas there are fewer facilities and attractions available during the quieter holiday months. The choice of restaurants in some hotels may be limited during quieter periods and some activities may be restricted by seasonal demand. If a particular hotel facility or a specific feature or attraction is important to the enjoyment of your holiday, please discuss this with us at the time that you book.

CLASSIC TAILOR-MADE SERVICE

We tailor-make all our holidays so that you are free to choose your departure airport, the airline you'd like to fly with, and the length of your holiday. We simply ask you when you'd like to travel and your preferred departure airport, and then we can give you a choice of the best available flight times so that you can choose the flight that best suits you. The prices shown in this brochure are for the most popular holiday durations, but alternative durations from as little as 2 nights up to 3 months are also available. Short breaks are becoming increasingly popular as more and more of us enjoy numerous annual holidays, and whether it's a quick midweek or weekend break or longer holiday, simply contact us for availability and prices.

As more and more of us enjoy numerous holidays to help us de-stress and relax, short breaks have become not just more popular, but are now seen by many as a necessity. Here at Classic Collection Holidays we provide a flexible tailor-made holiday service and can book any holiday length for you, although durations of less than four nights generally have to be requested from our hoteliers.

TWO CENTRE & MULTI CENTRE

You may like to combine the contrasting scenery between the interior and the coast of your chosen destination or you may wish to experience a twin centre holiday based between two cities or two islands! We can easily tailor make twin-centre or multi-centre holidays and our reservations team are happy to discuss with you any combination of our featured hotels.

FLY DRIVE

For truly independent travellers, a fly drive holiday combining your favourite hotel choices with the flexibility of driving your own hire car straight from the airport is the best way of discovering your chosen destination. Simply let our experienced reservations team know how many nights you wish to stay in each property, and your preferred choice of hire car. Please see page 95 for details.

ACCOMMODATION ONLY

If you prefer to organise your own flights, we are happy to book hotel accommodation for you. Room upgrade supplements will be the same as detailed on the hotel description pages, and we can easily include private transfers for your arrival and departure, or a hire car for all or part of your holiday.

CLASSIC VALUE

Classic Collection Holidays managers and staff visit each of our destinations personally in order to ensure that we negotiate the best possible terms with our hoteliers. Because of this personal relationship, we are able to negotiate special Classic value offers which are highlighted on each hotel page. These may be in the form of early booking offers, complimentary room upgrades, reduced supplements at certain times of the year etc. And, because we continue to negotiate with our hoteliers after our brochures have been published, we are always in receipt of additional offers which are published on our website and promoted by our reservations staff. Please ensure that you call us to check prices as offers can result in the price reducing from those originally published.

FLEXIBLE DINING & ALL INCLUSIVE

So that you can sample the local restaurants, but still have the option of pre-booking your evening meal in the hotel for some nights, take advantage of our flexible dining plan. You can book as many, or as few, evening meals in the hotel as you wish and you don't even have to tell us for which nights until you arrive at the hotel. Prices for dinner are detailed as half board supplements on each hotel page. Some hotels offer an all inclusive package to include meals, drinks, children's clubs and non-motorised sports. Please do check with us carefully as to what is actually included.

FAMILY ACTIVITIES

The Canary Islands have plenty of water parks, fun parks and zoological parks to keep the whole family entertained including in Tenerife the premier family attraction of Loro Parque, an award-winning zoological park with the world's largest collection of parrots, a dolphinarium and penguinarium. Also on the island is the recently opened Siam Park, a vast water fun park, whilst set in tropical gardens high in the hills above Los Cristianos is Las Aguilas Jungle Park featuring numerous animals and birds, plus walkways with tunnels, suspension bridges, waterfalls and caves. Gran Canaria's Aqualand Maspalomas has an abundance of waterslides and attractions for the whole family, Palmitos Parque is home to exotic birds, a butterfly house and aquarium whilst the Wild West fun-packed theme park Sioux City offers gunfights, shoot-outs and acrobats performing stunts. Babysitting services and children's clubs are payable locally in resort and our reservations team can advise you on the various types of services and clubs that are available. Many of our hotels are able to offer interconnecting rooms and we are happy to confirm these at the time of booking.

VILLAS & SELF CATERING FREEDOM

Villas and hotel villas providing self catering freedom for Classic guests include Las Villas Gran Hotel Bahia del Duque and Royal Garden Villas on Tenerife and Villas Heredad Kamezi on Lanzarote, and we are also happy to especially recommend one of our hotels in Playa Blanca, Lanzarote, Princesa Yaiza (pages 80-81) which although sold on a bed and breakfast basis includes some (albeit limited) kitchenette facilities (and family suites feature a refrigerator and microwave). The hotel is perfect for families especially with young children as the on-site Kikoland boasts sports facilities and clubs for children aged up to sixteen. Please call us for advice, details and prices.

Suite Hotel Atlantis Fuerteventura Resort (p73)

CHILD REDUCTIONS

Many hotels offer substantial reductions and sometimes free stays to the first child (normally 2-11 years) when they share a room with two full fare paying passengers and relevant 7-night child prices are shown (contact us for alternative durations). Children enjoying reduced prices can only be accommodated where there is sufficient space and it may be that a child price can only be given in a superior or deluxe room or suite because the standard room can only accommodate two guests. Where there is sufficient space in a room for four occupants, a reduction may be available for a second child. Many child-friendly hotels offer reductions to older children and children staying in separate rooms (ie not sharing with an adult), and some hotels give discounts or even free stays to children sharing a room with one adult although normally under these circumstances the adult will pay the equivalent of a sole use supplement.

CLASSIC VALUE FOR FAMILIES

Normally a child sharing with two adults or full fare paying passengers will pay a reduced price as shown under the price panel section on each hotel page. However, in some instances hotels offer substantial reductions for the first child (aged 2-11), or special reductions for a second child, or a child sharing with only one adult, or special reductions for children in separate or interconnecting rooms, and/or special half board reductions for children, and we have endeavoured to highlight these hotels under our Classic value on each relevant hotel page.

SOLE OCCUPANCY

Whether travelling alone or with friends and family, some of our guests prefer not to share a bedroom or suite and, where applicable and where space allows, supplements are shown for single rooms, and twin rooms or suites for sole occupancy. Our Classic value section also highlights where there are special reductions available at certain times of the year. Please note that our brochured holiday prices are based on two adults travelling together and sharing a room, and the price that we quote for single travellers will include an additional charge payable for sole use of a private transfer when applicable.

Vincci Hotel Buenavista, Tenerife

CLASSIC GOLF

The fantastic year-round climate in the Canary Islands ensures that golfers can enjoy a round or two every day and, perhaps surprisingly, there are more than twenty courses to choose from. Tenerife and Gran Canaria both boast nine courses each, see details on the opposite page, although possibly the most famous is the 18 hole course at Playa de Santiago on La Gomera which is perfect for golfers staying at the popular Jardin Tecina. Discerning golfers who book holidays with Classic tend to travel as couples and only wish to play an occasional casual round or two, but because we tailor-make every single holiday to suit your own specific requirements, our specialist sales team on 0800 008 7299 will be happy to discuss your requirements for a specific golf group weekend or longer golfing holiday.

TENERIFE

Tenerife provides golfers with a choice of nine courses and the year round mild temperatures together with a varied range of courses make the island perfect for a golfing holiday. Set in a beautiful landscape in the extreme northwest of the island, with the impressive Teno mountain range as a backdrop and splendid views of the ocean, Buenavista Golf is designed by Severiano Ballesteros and is one of Tenerife's best-loved golf courses. A string of courses can be found in the south with Golf del Sur a challenging 27 hole championship golf course dominating the surrounding landscape and a haven for golfing enthusiasts. Amarilla Golf offers views of the ocean from almost every hole and the championship Golf Las Americas in the heart of Playa de las Americas features lakes and rivers meandering throughout the course. Golf Costa Adeje is perhaps one of the most spectacular on the island making full use of the natural terrain. The 18 hole course at Abama Golf, designed by Dave Thomas, is an exceptional course and offers lush vegetation, lakes, numerous water features and magnificent ocean views from the rolling fairways and undulating greens.

GRAN CANARIA

Gran Canaria boasts no fewer than nine courses, five in the south and four in the north of the island. In the south the 36 hole Salobre Golf, split into a north and south course, has been carefully designed to blend seamlessly into its immediate environment of giant cacti and volcanic rocks and is suitable for players of all levels. Campo de Golf Maspalomas influenced by the surrounding Maspalomas Dunes Nature Reserve and designed by Mackenzie Ross is an enjoyable and relaxing 18 hole course with flat, long, wide fairways, bunkers, water hazards, numerous palm trees and a gently cooling Atlantic breeze. In a stunning coastal setting the Anfi Tauro Golf is an extensive championship course surrounded by palm trees, lakes and volcanic mountains and is a challenge for players of all levels, as is Meloneras Golf. In the north and sited near an extinct volcano is the oldest golf course on the island, the Real Club de Golf Las Palmas. It is a well-designed and well-established course with a traditional layout, no water hazards and additional on site facilities include a swimming pool, horse riding and tennis, whilst El Cortijo Club de Campo is one of the most challenging courses with six lakes, bunkers, undulating and quick greens and an ocean breeze to contend with. Further courses include Las Palmeras Golf, plus Oasis Golf with its spectacular lakes and bunkers and where a lighting system enables late night play.

LA GOMERA

The 18 hole course at Playa de Santiago on La Gomera is ideal for golfers staying at Jardin Tecina. A demanding course with undulating greens and numerous bunkers and facilities include a chipping green with bunkers, putting green, PGA professional golf school and club house.

FUERTEVENTURA

Fuerteventura now has three golf courses with the fairly recently opened Playitas Golf south of Costa Caleta a very hilly and challenging short golf course with narrow fairways and water hazards. The Fuerteventura Golf Club Estate with its 18 hole course is located on the east coast just 8km from the airport and features spacious greens and wide fairways, lakes and bunkers and a wide range of amenities including a covered driving range, pitching green, putting green, bunker, pro-shop, restaurant and bar. Salinas de Antigua Golf Club boasts splendid views of the Atlantic and has been designed to ensure shelter from the prevailing winds with rolling hills and sand dunes, and with desert areas and four lakes providing further challenges.

LANZAROTE

Lanzarote has one 18 hole course, Golf Costa Teguise, located at the foot of an extinct volcano and boasting stunning views over the Atlantic. Designed by John Harris this gentle and highly varied course is set between volcanic rocks, numerous palm trees and cacti and facilities include a driving range, practice putting green, restaurant, bar and pro-shop.

GOLF NOTES

Many of our hotels offer green fee reductions to guests and a few even offer complimentary rounds. Some hotels offer courtesy transport to golf courses although if you are planning to play at a variety of locations, it may be advisable to hire a car. Your handicap certificate and soft spike shoes will be required on most courses. Hotels situated close to their own courses have been highlighted with our golf symbol and we are happy to book golf packages and tee times at these hotels for you. Please contact us for further information including golf carriage and tee times.

CLASSIC TENERIFE

Tenerife, an island of contrasts, boasts a long sunny coastline with gigantic sea cliffs and numerous sandy beaches against a backdrop of Spain's highest mountain, Mount Teide: snow-capped for much of the year. There are trendy resorts and traditional villages and a friendly international culture combined with Carnivals of tradition.

The largest and most popular of the Canary Islands, and boasting the greatest number of tourist attractions, is the triangular shaped island of Tenerife. Home to Mount Teide the highest mountain in Spain, Tenerife also features numerous beaches, magnificent sea cliffs, bustling new resorts and traditional towns and villages. The coastline stretches some 269km and features spectacular cliffs and coves, some golden sands (Santa Cruz) and many black volcanic sand beaches. Tenerife is renowned for its Carnivals and although the island enjoys a distinct European culture, religious festivals and fiestas are enjoyed with traditional Canarian enthusiasm. Tenerife's three nearest neighbours are the popular La Gomera and lesser known La Palma and El Hierro.

SOUTHERN TENERIFE

Costa Adeje is a sophisticated resort with luxurious hotels and high quality restaurants. Set in a wide natural harbour, the resort boasts three blue flag sandy beaches with excellent watersports and diving, plus the tranquil cove at Playa Paraiso nearby. There's a good selection of boutiques in the commercial centres, a fine array of promenade restaurants, a cluster of bars around the harbour and numerous outdoor facilities including one of the island's best golf courses plus two waterparks: Aqualand, and one of the largest in the Canary Islands, Siam Park. Also located on the southern coast, bustling Golf del Sur with its restaurant and bar-lined promenade is great for families and a haven for golfing enthusiasts with its challenging 27-hole championship golf course dominating the landscape.

Los Cristianos is a popular resort boasting two beaches with imported Saharan sand, a good range of hotels, enviable shopping, a plethora of restaurants and bars and lively nightlife, plus fishing trips, glass bottom boat excursions and ferries for La Gomera available from the busy harbour. Between Los Cristianos and Costa Adeje the lively purpose-built resort of Playa de Las Americas with its abundance of restaurants, bars and clubs is popular with those in search of sun, beaches, watersports and nightlife.

NORTHERN TENERIFE

Nestling in the lush Orotava Valley, the oldest resort in the Canary Islands, Puerto de la Cruz, is a firm favourite with discerning travellers. It's a bustling town boasting fine colonial buildings, botanical gardens and a picturesque Old Town. The fishing port area is a maze of cobbled streets awash with traditional bars and cafés, and there are sophisticated boutiques, delightful squares, a casino and lido, and three small beaches with dark volcanic sand. To the west is Loro Parque, an animal park most famed for its magnificent parrots and a snow-clad penguinarium.

In the extreme northwest next to the Teno Massif, the small regional centre of Buenavista del Norte has a pretty main square and 18th century mansions, a church and Buenavista Golf, one of Tenerife's best-loved courses. On the coast, the quiet town of Garachico boasts an illustrious past because of the devastation caused in 1706 when its streets and harbour were filled with lava from the Volcan Negro. Garachico was rebuilt on solidified lava and today there are lush sunken gardens in what was originally the island's busiest port. The Franciscan monastery and the 16th century fortress, Castillo de San Miguel, escaped the lava flow and the well-preserved fortress affords tremendous views.

TENERIFE SIGHTS

EL TEIDE

Caldera de las Canadas is a 16km wide volcanic crater with Mount Teide at its northern edge. The high altitude walking is sensational but not for the faint hearted although a cable car takes you to within 200m of the summit to enjoy stunning views from this volcanically active summit, which at 3,718m is Spain's highest mountain.

MASCA

Set in one of the most picturesque parts of the island and accessed by a narrow winding road, Masca, once a remote and virtually inaccessible mountain village in the Teno Massif, it is now a popular destination famed for its magical setting and breathtaking views.

SANTA CRUZ

Tenerife's capital, Santa Cruz, boasts many beautiful historic buildings with its hub around the Plaza de Espana, close to the busy harbour. There are two noteworthy churches, a lively bazaar and food market, a state of the art Opera House, and a couple of interesting museums: one housing the cannon which allegedly removed Admiral Nelson's arm!

LA LAGUNA

The island's oldest church, dating back to 1502, displays a grand and rich interior with outstanding gold and silver paint, wonderful metalwork, elaborately carved gilded ceiling panels, beautiful wood carvings and an eye-catching seven-storey tower.

THEME PARKS

With an award winning zoological theme, Loro Parque boasts a band of gorillas, a bat cave, a dolphinarium, penguinarium, plus the world's largest collection of parrots. Siam Park is a magical water kingdom with attractions ranging from a meandering lazy river to a 28m tower dropping into a mysterious aquarium.

LOS GIGANTES

These spectacular sheer cliffs marking the abrupt edge of north western Tenerife's Teno Massif are a breathtaking sight. Soaring 600m skyward from the Atlantic Ocean, Los Gigantes cliffs are best viewed on a boat trip, from which you might additionally be lucky enough to see a pod of dolphins.

CLASSIC LA GOMERA

Lying to the west of Tenerife, La Gomera is the most relaxing of all the Canary Islands with dense forestry, beautiful cedar groves and breathtaking ravines. Small villages are scattered inland amongst the terraced valleys and the mountains sweep the coastline as dramatic sea cliffs.

La Gomera's verdant interior where the green terraced valleys cut steeply through the mountains is spectacularly beautiful although driving is not for the faint-hearted with a plethora of sometimes scary hairpin bends! In the centre of the island is the protected Parque Nacional de Garajonay with its dense, lush flora and fauna; great for walkers. More than a third of this small island, which is less than 13 miles from north to south, is protected by UNESCO, and due to the mountainous terrain there are some particularly quaint old customs such as the whistling language, historically used by the locals to communicate between the valleys.

SAN SEBASTIAN

The capital and main port, San Sebastian with numerous restaurants, bars and shops, is famed for its links with Christopher Columbus and the small town is riddled with memorabilia and plaques denoting the places that he visited or stayed, and a week-long Columbus festival is held annually. The main street, Calle Real, and main square, Plaza de las Americas with its balconied mansions, picturesquely evoke memories of former colonial times.

PLAYA DE SANTIAGO

The small, peaceful fishing village of Playa de Santiago is located at the southernmost point of La Gomera in a sheltered and attractive setting. There is a pebble beach and a port and at the centre of the harbour area, Plaza del Carmen, a favourite meeting place for the locals with restaurants, bars and a seafront promenade.

TWIN CENTRE HOLIDAYS

Many Classic customers choose to stay on the island of La Gomera for the whole of their trip, but two centre holidays are very popular. Combinations can be arranged to include any hotel on neighbouring Tenerife and you might like to spend a week or so in the popular resorts of Playa de las Americas, Costa Adeje or Los Cristianos followed by a week in the peace and tranquillity of La Gomera.

TRANSFERS TO LA GOMERA

Fly to Tenerife South airport and following a 20 minute transfer to Los Cristianos port, cross by catamaran or ferry to La Gomera (approx 40 minutes). Crossing timetables are limited and you may need to stay overnight in Tenerife at the beginning or end of your holiday especially if your flight arrives in Tenerife after 3pm. Christmas and New Year ferry times are restricted and we advise booking a Tenerife hotel if your journey involves a flight on 24, 25, 31 Dec or 1 Jan. Please note that transfers on Tenerife and La Gomera may be in a shared minibus, and that ferry timetable changes and delays may result in us making alternative arrangements on Tenerife.

SIGHTS

La Gomera is truly unspoilt providing a perfect destination for those wanting a tranquil holiday. The 18 hole course beside Hotel Jardin Tecina at Playa de Santiago also makes it a great getaway for golfers, and for keen walkers the lush dense flora of Parque Nacional de Garajonay, is a must. The island boasts a rugged coastline with a few pebbly and black sand beaches: the best are at Playa Santiago and Valle Gran Rey, with another in the north close to Vallehermoso.

CLASSIC LA PALMA

Known locally as Isla Bonita, La Palma is truly beautiful with remarkable scenery ranging from soaring forest-covered mountains in the north to volcanic lunar landscapes in the south contrasting with wide, fertile valleys, dramatic sea cliffs, and black sandy beaches that fringe the Atlantic shores.

The greenest and most rural of the Canary Islands, La Palma boasts picturesque villages, sleepy towns and pleasantly warm temperatures all year round. A World Biosphere Reserve is has 19 naturally protected areas including majestic pine forests and lush laurel woods, deep ravines, salt pans, waterfalls, natural parks, volcanic craters and an unique caldera. Due to the rugged topography the climate is varied. The west is dry and hot whilst the east is lush and the abundance of microclimates fosters a richness of flora and fauna. Ideal for a tranquil break, this most north western of the Canary Islands also caters for numerous outdoor pursuits including horse riding, hiking, mountain biking and scuba diving.

Located in the east, the capital **Santa Cruz de la Palma** is a lovely bustling coastal town where the central Plaza de Espana is surrounded by striking 16th and 17th century public buildings; Santa Cruz even boasts its own Naval Museum in a replica of the Santa Maria. Just 3km away with stunning views to La Gomera and Tenerife, the small rural hillside village of **Brena Baja** is a beautifully tranquil spot with just a few small bars and a restaurant serving typical Canarian cuisine and local wines. The nearest beach is at Playa de los Canjacos where crystal clear waters are excellent for swimming, diving and snorkelling. On the west coast, the small quiet resort of **Puerto Naos** boasts the island's longest beach and the best sunshine record; nightlife is low key tending to centre around the hotels and restaurants and it provides an ideal base to explore, with La Caldera de Taburiente National Park a mere 10 minutes' drive away. Also on the west coast, the historic port and fishing harbour of **Tazacorte** is located on the fertile coast of the Valle de Aridane and boasts a black sand beach and extensive banana plantations.

FLIGHTS TO LA PALMA ISLAND

Direct flights are available from Manchester and London to La Palma island although, due to the significant number of flights to Tenerife from your local airport, you may like to consider a twin centre holiday to Tenerife and La Palma.

ACTIVITIES

La Palma provides a good range of activities including canyoning, potholing, paragliding, horse riding, mountain biking, watersports, diving and snorkelling, plus with a network of 1,000km of signposted hiking routes, the trekking is superb.

Central to the Biosphere Reserve of La Palma, the evergreen laurel woods of Los Tiles are one of the most important in the Canaries containing an extraordinary range of flora and fauna. And boat trips are easily available from the port at Tazacorte to include the fascinating volcanic caves of Cueva Bonita and Cueva de Candelaria, the beautiful beach at Playa de la Veta, and the opportunity to see dolphins, whales, tortoise and flying fish.

There are approximately 50 beaches and coves on the island, mostly with black volcanic sand or pebbles with the most popular around Playa de los Canjacos, Puerto Naos and Tazacorte. A must see is the awe-inspiring crater in Caldera de Taburiente National Park where the Canarian pines cling to the steep slopes and delightful streams tumble down the ravines to the crater floor. The highest point of the caldera, Roque de los Muchachos at 2,400m, is often snow-capped in winter and houses one of the world's most important astrophysics observatories.

CLASSIC GRAN CANARIA

The most southerly Canary Island boasts delightful variations of scenery and climate normally associated with an entire mini continent with micro climates including warm coastal areas with 50km of golden beaches, temperate midlands, subtropical forests and high peaks where occasionally snow falls as the sun shines brightly on the coast.

Gran Canaria's vibrant and cosmopolitan capital and bustling seaport, Las Palmas, is the largest city in the Canary Islands. The central Parque Santa Catalina is a popular shady square with cafés and bars and is just a short stroll from the 3km beach at Playa de las Canteras. The city's historic centre is Vegueta, home to some delightful little squares, museums, a cathedral and Casa de Colon, the house where Columbus once stayed. Situated in the middle of Ciudad Jardin (The Garden City), a leafy oasis created in the 19th century by British merchants, is Parque Doramas, a beautiful landscaped park with a grand hotel and the Pueblo Canario (Canarian Village) a complex of traditionally built houses.

PLAYA SAN AGUSTIN

The quiet resort of Playa San Agustin is located on the edge of the livelier Playa del Ingles, close to the spectacular Maspalomas sand dunes. Boasting white washed buildings, an appealing waterfront, al fresco tapas bars and lovely seafood restaurants, Playa San Agustin features a sheltered beach of dark sand gently shelving down into calm waters.

MASPALOMAS

Separated from Playa del Ingles by the spectacular Maspalomas sand dunes, Maspalomas boasts an attractive waterfront with al fresco restaurants and bars, luxury hotels, and the island's largest golf course. The fabulous coastline of sand dunes where a 6km blue flag golden sandy beach slopes gently into warm waters, and the largest water park on the island, plus numerous theme parks close by, ensures this resort is perfect for families.

COSTA MELONERAS

Bordering the famed Maspalomas dunes, Costa Melonerias is a stylish resort with high quality hotels and an attractive palm-lined coastal promenade backed by restaurants, bars and designer boutiques. There's a gloriously quiet stretch of sandy beach and romantics will enjoy the relaxed nightlife which normally comprises dinner, quiet drinks and the setting sun. There is an 18-hole golf course nearby, and the lively resort of Playa del Ingles a short drive away.

PUERTO DE MOGAN

In a sheltered bay at the end of a verdant valley, Puerto de Mogan is a small fishing village with a dark volcanic sandy beach, narrow alleyways and pretty white bougainvillea bedecked houses where chic boutiques, jazz, piano and al fresco tapas bars and harbour-side fish restaurants surround a picturesque marina. Referred to as Little Venice due to its network of seawater canals linked by small bridges this is a delightfully peaceful resort.

PLAYA AMADORES

The new resort of Playa Amadores is perfect for beach lovers with its man-made pure white soft sandy beach sweeping around the bay. Divers and snorkellers will love the beautiful clear blue waters and additional watersports are available in Puerto Rico, close by. A well maintained resort, Playa Amadores has an immaculate seafront promenade lined with boutiques, cafes, bars and restaurants.

Gran Canaria

GRAN CANARIA SIGHTS

THE NORTH COAST

Agaete on the northwest coast surrounds a striking rocky bay and boasts delightful botanical gardens that are well worth a visit. For gardening enthusiasts and nature lovers, there's also Jardín Canario, located to the southwest of Las Palmas in Tafira, and Caldera de la Bandama, a substantial volcanic crater 1,000m wide.

PALMITOS PARQUE

One of the island's principal attractions, Palmitos Parque features stunning subtropical gardens which provide homes for exotic birds, and include a butterfly house and an aquarium dramatically set in rocky surrounds.

CENTRAL HIGHLIGHTS

Gran Canaria's mountainous interior, fantastic for sightseers, ramblers and serious hikers alike, includes spectacular crags, caves, and charming old villages such as Artenara, and Tejeda. The most famous is the well-preserved village of Teror, which acts as the island's spiritual centre and features some of the best examples of colonial style architecture, plus a beautiful 18th century church.

CATAMARAN CRUISES

Set sail on a specially designed glass bottomed catamaran in search of some of the 29 different varieties of dolphins and whales that can be found off the south west coast of Gran Canaria.

DUNAS DE MASPALOMAS

The protected natural park of Dunas de Maspalomas encompasses a region of spectacular sand formations and the area boasts more than 6km of golden sandy beaches where the dunes meet the ocean, plus there's a freshwater lagoon and delightful palm grove.

THEME PARKS

Set in a tropical oasis in the south of the island, the vast water park Aqualand Maspalomas, boasts an abundance of waterslides and attractions to suit all the family. Alternatively, at Sioux City, the theme is of a traditional town in the Wild West with gunfights and shoot-outs and lots of stunt performing acrobats.

Just 300 metres from the sandy beach at Maspalomas, Seaside Grand Hotel Residencia is the only hotel in Gran Canaria to be a member of The Leading Hotels of the World. Set in an ancient palm grove and enjoying spectacular views, the architecture is typically Spanish colonial in style with large reception areas. Guest rooms are spacious with big wooden balconies or terraces and the luxurious villa style buildings nestle in tropical gardens boasting a large swimming pool surrounded by sunbathing terraces. Lunch can be enjoyed at the pool bar, whilst dinner can be international or typically Canarian and alternates between a la carte menus and theme buffets. The Beauty and Wellness Centre offers everything from hydro massage to rasul and the 18 hole golf course on the edge of the Maspalomas dunes is just a 10 minute drive away. Due to the exclusive nature of this property, it is not recommended for children. A member of Seaside Hotels Collection and Travelife Sustainable Tourism Gold Award holder.

CLASSIC FUERTEVENTURA

The Canary Island of Fuerteventura is second in size to Tenerife and the closest to the North African continent. Boasting a relaxed and typically Spanish way of life, it is fantastic for water sports enthusiasts, with a year round sunny climate and a fabulous coastline of sandy beaches.

Fuerteventura is blessed with miles and miles of lovely soft sands and its beautiful coastline attracts visitors seeking glorious beaches and fantastic waters. Inland, the rugged peaks of extinct volcanoes are separated by wide lowland plains dotted with small traditional villages and old-fashioned windmills. The relaxed and typically Spanish way of life combined with more than 150 splendid beaches of soft sand and virtually constant sunshine, entices sun worshippers and watersports fanatics, and beginners, all year round. Geographically, Fuerteventura is the second largest of the Canary Islands. It lies 12 miles to the south of Lanzarote and is the closest to the African continent with Morocco lying 60 miles to the east.

CORRALEJO

Formerly a sleepy fishing village, Corralejo is now Fuerteventura's premier resort. Happily managing to retain a laid back Spanish atmosphere, the resort offers numerous facilities with fine seafood restaurants, chic bars, cafes and shops lining the streets around the bustling harbour. Corralejo boasts some of the island's best beaches and there are several small sheltered coves located close-by, and, just 4km away, one of the area's major attractions, Dunes Nature Reserve with its immense 10km stretch of desert-like sand dunes. Thanks to the favourable trade winds there is excellent windsurfing and surfing as well as a whole host of watersports, plus golf courses and a waterpark.

CALETA DE FUSTE

Situated on the east coast, the modern resort of Caleta de Fuste (also known as Costa Caleta) boasts a sheltered beach skirting a wide horseshoe shaped bay. Popular with families, this attractive beach resort features a bustling harbour perfect for al fresco dining, tree-lined streets with cafes and restaurants, a shopping complex with stylish boutiques, and numerous music bars for livelier nightlife. Although well placed for exploring the whole island, the airport is only a 20 minute drive away so some aircraft noise may be experienced.

JANDIA PENINSULA

The leaf-shaped island of Fuerteventura can be geographically divided into two and in the south the long narrow Jandia Peninsula is fringed on the eastern side with excellent sandy beaches stretching for over 30km between the resorts of Costa Calma, Morro Jable and down to the landmark lighthouse at Punta de Jandia. The beach resort of Costa Calma lies at the start of the Jandia Peninsula and features several small shopping centres with an array of restaurants and shops and there's a colourful bustling market on Sundays.

About 4km from Costa Calma, on a wonderful sweep of golden sands with a spectacular mountainous backdrop, is the tranquil resort of Playa Barca where the sheltered beach and clear waters are perfect for windsurfing and diving. There are plenty of restaurants although nightlife tends to centre around the hotels. Further south lies the modern, sleepy resort of Playa de Jandia. Popular with couples and honeymooners, it boasts a cluster of high quality hotels, a quiet stretch of beach and a few restaurants. Within easy walking distance is Morro Jable; once a small fishing village, now a pretty and bustling resort, it is built on a steep hill with a promenade lined with bars, restaurants, cafes and shops stretching the length of the beach. Great for family beach holidays, there are plenty of watersports on offer and further along the coast are some excellent surfing beaches.

FUERTEVENTURA SIGHTS

CORRALEJO & LOBOS

The bustling resort of Corralejo is at the northern tip of the island: its main attraction a belt of glorious sand dunes protected as a nature reserve. From the port you can get a fast ferry to Lanzarote, or enjoy a cruise around nearby Isla de los Lobos, an island named after the once abundant monk seals.

BAKU WATERPARK

The popular Baku Waterpark is set in extensive grounds in Corralejo and is ideal for a family day out. The waterpark features numerous waterslides, Jacuzzis, wave pool, a children's area, food and drink zones, plus a mini golf course.

BETANCURIA

Fuerteventura's interior boasts rugged peaks of extinct volcanoes separated by wide lowland plains dotted with small villages and old fashioned windmills. The pretty village of Betancuria, built on a small volcano, is famous as the island's ancient capital and for the Church of Santa Maria with its gilded altars, decorated beams and sacred relics.

OASIS PARK & ZOO

Set in lush gardens, the zoo houses more than 250 types of animals and offers shows with sea lions, reptiles, parrots and birds of prey. There is a botanical and large cactus garden and opportunities for camel rides.

ISLA DE LOS LOBOS

Just offshore to the north of Corralejo, between Fuerteventura and Lanzarote, is the tiny island of Isla de los Lobos, named after the once abundant monk seals (lobos marinos). Divers, snorkellers, surfers and sporting fishermen claim the clear waters although for those slightly less adventurous, barbecue excursions and swimming trips are enhanced by sailing across in glass-bottomed cruisers.

SUBMARINE TOUR

At the southern end of the island, enjoy a once in a lifetime experience in an authentic submarine which dives down to depths of 30m where the clear waters allow you to study the local marine life.

Famed for its year round sunny climate, Lanzarote's interior is a mix of ochre coloured lunar landscape mountains and low lying lava fields whilst the coast is a haven for watersports fanatics with perfect weather for windsurfing and sailing, clear waters for diving and snorkelling, and fabulous beaches for sun worshippers.

Lanzarote is the most easterly and the fourth largest of the Canary Islands. It is 37 miles long and 12 miles wide and despite its volcanic moonscape nature it, somewhat surprisingly, boasts many white sandy beaches such as those found at Playa Blanca and Punta del Papagayo although numerous beaches are covered with black volcanic sand like the beach at Playa Quemada. Lanzarote is famed for its watersports and the ideal weather conditions, coasts of clear waters, and the fine sands, ensure its popularity with windsurfers, surfers and sailors, and the plethora of underwater caves, reefs, shipwrecks and fish such as barracuda and angel shark, are fantastic for diving, snorkelling and big game fishing.

PUERTO DEL CARMEN

This former fishing village is now a busy, popular resort boasting a long beach of golden sand and two additional beaches, all providing excellent facilities. For a quieter time there is a small cove in the old part of Puerto del Carmen, popular with the locals and ideal for a spot of snorkelling. The resorts boasts an abundance of cafes and restaurants, an array of shops and boutiques, and a lively nightlife with bars and clubs lining the beachfront strip, plus the quieter delightful Old Town with its narrow streets leading down to the charming harbour. Within walking distance and towards the Matagorda area, the quieter relaxed resort of Playa de Pocillos is one of the newest on the island. It is popular with families as the emphasis is on the long, wide, blue flag sandy beach, excellent watersports facilities, and good selection of restaurants, bars, shops and supermarkets.

PUERTO CALERO

The quiet resort of Puerto Calero is a 3km walk along the coast from Puerto del Carmen and features a promenade and attractive waterfront with a stylish marina. There are a few designer and surf wear shops, plus numerous charming restaurants in the harbour area. The sandy beach is safe, perfect for families and sun worshippers.

COSTA TEGUISE

Costa Teguisé is a popular well-established east coast resort providing an ideal base for exploring the island's sights. Quiet, relaxed and friendly, the resort is great for families whilst the onshore breeze offers a paradise for windsurfers and watersports enthusiasts. The 600m long main soft sandy beach is in the heart of the resort, and there are three smaller coves which are slightly more sheltered from the winds. Nightlife is fairly low key although there is a good variety of restaurants, bars and shops.

PLAYA BLANCA

Located on the southwestern tip of the island, the pretty beach resort of Playa Blanca, once a small fishing village, is a great choice for a peaceful holiday. Sympathetically developed with low-rise buildings, traffic-free avenues, attractive public areas, and a small commercial centre with a handful of shops, the main attraction is the glorious blue flag awarded white sandy beach. Additionally, there are a number of small beaches in the area and a short distance away is the famous and unspoilt sandy beaches at Playa Papagayo. Ferries to the neighbouring island of Fuerteventura run from the harbour which also features a good selection of seafood restaurants, waterfront cafes and bars, plus there's a further choice of eateries in the old village.

LANZAROTE SIGHTS

CESAR MANRIQUE'S LANZAROTE

Lanzarote's most famous inhabitant, Cesar Manrique was a painter, sculptor, architect, ecologist, preserver of natural landscapes and urban planner and his many legacies can be found all over the Canary Islands.

THE NORTH

The picturesque village of Haria acts as a gateway to the northern tip of the island. The road offers memorable views of sea cliffs and, from Mirador del Rio, there are fantastic views over the tiny island of La Graciosa which can be reached by boat from Orzola, the latter also excellent for fish lunches.

CAVES, TUNNELS & CRABS!

Explore the surreal caves and underground lava tunnel known as Cuevos de Los Verdes and Jameos del Agua, where a natural lake is home to a species of blind albino crabs only found on Lanzarote.

TEGUISE

The ancient capital of Lanzarote is a well-kept, old-fashioned town with wide cobbled streets and patricians houses grouped around the Iglesia de San Miguel.

CATAMARAN CRUISE

Enjoy a day on board a luxurious catamaran and take the opportunity to swim, snorkel and ride a jet ski.

TIMANFAYA NATIONAL PARK

Timanfaya National Park is a must see for any visitor to Lanzarote where the Fire Mountains, the now-dormant volcanoes which devastated the island, feature a legacy of amazing lunar type terrain harbouring numerous rare plant species.

JEEPS, TREKS & FISHING

Explore the island's volcanic landscapes by jeep or with a guide in an organised trekking group, or sail from Puerto del Carmen or Puerto Calero for a deep-sea, or shark-fishing experience.

FUERTEVENTURA

Take a short ferry ride to Fuerteventura and visit charming villages, the church in Betancuria, and the Dunes National Park.

CLASSIC FLIGHTS & CAR HIRE

Choice of flights We know that our customers like to fly from a local airport that is convenient to them and because we tailor-make every holiday to suit you, we are able to book scheduled, charter or no frills flights from a wide range of UK airports. Please call our reservations team for further details regarding the services provided by different airlines.

Scheduled airlines These offer high frequency and often daily services to our destinations which allows you the luxury of choosing your departure day and holiday duration. Scheduled flights provide a high level of service and comfort, normally with generous legroom (typical seat pitch 31 inches), punctuality, meals relevant to the time of day, plus complimentary bar and in-flight entertainment. Scheduled services also give you the chance to upgrade to business and first class cabins. Classic Collection Holidays offers flights with all scheduled carriers.

Domestic flight connections via London So that our customers can take advantage of the flexibility and reliability of scheduled flights from London, we are pleased to offer domestic flights from all UK airports.

No frills flights Often referred to as low cost airlines, these flights do not provide complimentary in-flight drinks, meals, or entertainment and seats are not normally allocated prior to boarding although families with young children are given priority boarding status. Prices vary dependent upon travel dates and when you book. We can easily include a no frills flight from your local airport, but if you wish to book your own no frills flight we are happy to book the rest of the holiday for you.

Charter flights Through a range of charter airline partners, we are delighted to offer a choice of direct flights from many UK airports. These flights may restrict your holiday duration to 7 or 14 nights, but we know that to fly direct to your holiday destination from your local airport is normally preferable.

Private jets Together with travel industry partner, FHR, Classic Collection Holidays enjoys a partnership with a fully licensed airline company which specialises in the provision of private executive aircraft. For total flexibility, privacy and convenience, we can charter a private aircraft giving you the ability to create your own holiday timetable to any of our destinations. You can choose the aircraft type, the seating arrangements, the level of service, your departure airport and the flight timings that suit you best.

Flight details Information including flight duration and departure airports is provisional and is for guidance only and the right is reserved to substitute alternative airlines and/or aircraft (scheduled, charter or no frills). Brochured holiday guide prices are based on standard seats and airline rates applicable at the time of printing. Flight tickets are not transferable or refundable. All holidays are operated under CAA Licence (ATOL No. 5837).

British Airways Two cabin options are available: Euro Traveller and Club Europe. British Airways' Euro Traveller passengers in the main cabin enjoy the highest standards expected of British Airways including 31" seat pitch, meals and snacks relevant to the time of day and flight duration and complimentary drinks (wine, beer and spirits). One bag (maximum weight 23kg) per person can be checked into the hold free of charge.

Upgrades British Airways' flights offer a choice of cabin options dependent upon the route. Club Europe benefits include 33" seat pitch, meals and snacks relevant to the time of day and flight duration, complimentary drinks (wine, beer and spirits), dedicated check-in desks and the use of airport lounge facilities. Club Europe passengers also enjoy an increased luggage allowance and two bags (each weighing a maximum of 23kg) per person can be checked into the hold free of charge.

Offset carbon emissions Classic Collection Holidays contributes more than £500 annually to offset the emission from our staff flights. To learn more about carbon emissions and to help reduce your own footprint, please visit www.reducemyfootprint.travel

CLASSIC CAR HIRE

Often the best way to explore is by car and we can book a hire car for you in most of our destinations. We can easily book a car for any duration with a choice of vehicle including family saloons, cabriolets, people-movers, four-wheel drives, and sports cars. We have included some guide prices below, but simply let us know the type of car you would like to hire and we will ensure that we get the best possible price for you at the time you book your holiday.

Group A (Volkswagon Fox or similar)
3 days from £117 & 7 days from £176

Car hire terms and conditions Our hire car terms normally include unlimited mileage, government tax, CDW and insurance. A UK driving licence, passport and car rental contract are minimum driving requirements, and in order to hire a car, you must have at least two years' driving experience and be at least 25 years of age (normal maximum 75 years of age). Please note that the types of car may vary within each group and delivery and/or collection charges may apply in some resort areas. Child seats and additional drivers can be booked with us although extra relevant charges will be payable locally. Normally a petrol deposit will be payable on collection of your hire car. Please also note that a non-waivable excess is applicable in the event of accident or theft unless optional super CDW is paid for locally.

BEFORE YOU TRAVEL

Passports, visas & travel advice Your passport, visa and immigration requirements are your responsibility and you should confirm these with relevant Embassies and/or Consulates. We do not accept any responsibility if you cannot travel because you have not complied with any passport, visa or immigration requirements. For British Citizens, a full ten-year passport is required for travel and it is recommended that your passport is valid for six months from your return date to the UK. Children under 16 must hold their own five-year passport. Contact the UK Passport Agency 0870 521 0410 or www.passport.gov.uk for details. **Please note that your name and initials on your flight tickets/documentation must match those on your passport.** For all aspects of travel overseas, contact the Foreign and Commonwealth Office (FCO) tel 0845 850 2829 or visit www.fco.gov.uk/knowbeforeyougo.

Vaccinations & health requirements In certain countries, it is wise and sometimes obligatory to have certain vaccinations. Currently none of our destinations require vaccinations, although as regulations frequently change, you should check with your travel agent or Department of Health for up-to-date information.

Travel documentation Your flight tickets including e-ticket information and holiday itinerary will be dispatched approximately 10 days prior to your departure. Late bookings may require a TOD (ticket on departure) which may incur a small charge.

OUR BROCHURE & HOLIDAY DETAILS

Brochure accuracy This brochure was printed on 16 May 2012. Details are valid for departures from 1 May 2012 to 30 April 2013 or until publication of any revised edition, or you are notified otherwise by your travel agent or our reservations staff. All the facts in this brochure are re-checked for accuracy by our staff and, where possible, our hoteliers, although of course it is always feasible, especially in low season, that facilities may be unavailable as hotels, especially those which are open all year round, will require maintenance (eg pools), redecoration and refurbishment. Service within hotels may change from time to time eg dining changes from traditional waiter service to buffet style. Such events are regrettably beyond our control although we will alert you to significant changes at time of booking, or if you have already booked, we will contact you as soon as is reasonably possible if there is time before your departure.

Hotel details We are happy to advise hotel web addresses, but cannot accept responsibility for their accuracy.

Room types and upgrades Single rooms normally carry a supplement which is for the convenience of having a room to yourself and location/facilities may be inferior to that of a twin room. In family rooms and twin or double rooms that take additional beds, do note that the extra bed/s could be of a folding or convertible sofa type and beds for children may not be full adult-sized singles. When additional beds are put in a room, floor space will be reduced and cupboard access may be limited. Junior suites normally have a sitting area, and suites have a sitting area or separate sitting room. Ocean or sea view rooms enjoy views of the ocean/sea although foliage, buildings etc may sometimes interrupt a full view. Ocean facing or sea facing rooms will face the ocean/sea but will normally be on lower floors where the view of the ocean/sea may be obscured through gardens/trees etc. Side ocean view or side sea view rooms offer a restricted view of the ocean/sea.

Room upgrade supplements are normally detailed on the hotel pages, but occasionally you may see the phrase on request which means that we will have to contact the hotel for up-to-date prices.

Hotel facilities normally incur a charge eg sun loungers, tennis, squash, mini-golf, pool table, watersports, entry to disco/nightclub, use of fitness/leisure and spa facilities, children's clubs, cots, safety deposit boxes and car parking.

Nights & meal arrangements The number of nights on your confirmation invoice refers to the number of nights reserved in your hotel. If you arrive late at night or in the early hours of the morning, your accommodation is immediately available as it has been reserved for the whole night and this will count as one of your holiday nights. If you have booked half or full board, you may lose a meal due to your time of arrival or departure and this will have been reflected in your holiday price. Full board normally consists of breakfast (usually continental buffet-style), lunch and dinner; half board is breakfast and dinner. Half board or full board arrangements, as indicated in the hotel descriptions, are generally served in the main dining room and are based on a standard table d'hote menu although this normally includes a choice of dishes. Many hotels offer buffet style meals and some a combination of waiter and buffet service. A full a la carte menu is available for an extra cost in most of our hotels and customers should note that when half or full board is offered as a la carte dining, exclusions such as lobster, prawns etc may be available for a local supplement. Most hotels offer the option of booking any number of nights on half or full board so that you can pay in the UK and decide which nights you wish to eat at the hotel when you arrive: simply ask our reservations staff for details.

Dress code Due to the sophisticated nature of many of our hotel restaurants, shorts and t-shirts are unacceptable for evening dining and slightly more formal attire is recommended.

Children & infants Some children's prices are detailed on our hotel pages but owing to space restrictions, we cannot detail all relevant prices and you should contact our reservations department for specific prices. To take advantage of children's prices, a child must normally be aged 2-11 years at the date of return and must share a room with two adults or full fare paying passengers, although some hotels offer special reductions for a second child sharing the room, or for older children, or for a child travelling with one adult, or where children share an interconnecting room. Children paying child prices can normally benefit from reduced half board supplements (when booking same board basis as adults) and will not normally be charged room supplements although if these are payable, relevant prices will be advised at time of booking. Normally children staying in their own room will be charged as full fare paying passengers including relevant room and half board supplements. Please note that where children's reductions are relevant, their date of birth and age on the date of return from holiday must be advised on the booking form. Infants (under two years of age at date of return) pay a charge to cover our administration costs and additional charges may be levied for certain flights, inter-island connections or business class cabins. Hotels will charge locally for food and cots. Please note that the regulations applied to the manufacture of cots in other countries are not as high as those in the UK and may not conform to British safety standards. Also please note that the date of birth and age of infants on return from holiday must be advised on the booking form.

Child seats Although we can request child seats for private transfers in resort, they cannot always be guaranteed and in such cases we suggest that you bring your own (see complimentary BubbleBum offer page 9).

Babysitting arrangements are available at many properties although the service will vary and the sitter may not remain in the room with the child. If you wish to use a babysitting service, you must arrange and pay for it locally with the sitter who is frequently a member of the hotel staff not qualified in child care.

Check in/out On arrival at hotels, check in time is normally 4pm and check out 12 noon. Most hotels can provide luggage storage and changing room facilities if you arrive earlier or stay later and you may be able to pay locally for a late check out: simply contact your hotel reception.

Health & safety All our properties are checked regularly for compliance in respect of local regulations. However, guests must exercise caution particularly with regard to fire safety, swimming pools, balconies, lifts etc, where compliance may not be equal to British standards.

Resort development may be in progress and occasionally the work involved will result in building work being in evidence. We cannot forewarn of all developments, however, if the works taking place, either through noise or other inconvenience, is felt by us to affect your overall holiday enjoyment, we will supply all such information to you directly or via your travel agent. Many of our resorts are in popular holiday destinations which invariably have busy road networks so you may encounter some traffic disturbance especially during peak season.

Representation Due to the specialist nature of our programme it is not always practical to visit our guests in their hotel particularly where multi-centres, island hopping or fly drive holidays are booked. All customers will be given emergency contact numbers, and departure details will be confirmed on arrival in resort. Our resort representative or local agent will normally make contact within 24 hours of your arrival to ensure that everything is in order, although should you encounter any difficulties during your stay, please contact your hotel manager in the first instance, and if further assistance is required, simply contact our resort manager or local agent who will endeavour to resolve the problem.

CLASSIC BOOKING CONDITIONS

Our commitment to you

1. Provision of your holiday We will arrange for the provision to you of the services which make up the inclusive holiday as confirmed to you. These services will be provided either directly by us or by independently contracted suppliers. When you, or your travel agent ask for your holiday booking to be confirmed, we allocate your chosen holiday to you and give confirmation of the booking at that moment. It is then that a firm contract exists between you and Classic Collection Holidays Limited (Registered in England no. 1512421) on the basis of this brochure. This also acts as your acceptance of our booking conditions and your holiday is secured from that moment. We will later send you or your travel agent a holiday confirmation invoice verifying the details and prices of the holiday that you have already booked, which in most cases will have been confirmed by telephone.

All holidays and offers advertised in this brochure are subject to availability.

2. Your holiday price

A. When you book All prices, supplements and offers shown in this brochure are based on costs at time of printing (16 May 2012) although we reserve the right to amend all prices, supplements and offers (up or down) when we receive notification of new costs. Some hotels intentionally practice fluid pricing which means that their costs (reflected in our prices) may significantly increase during periods of high demand. This may affect the hotel's standard room prices although the most significant changes will be noticed when booking superior room types. Prices in this brochure include airline rates applicable at the time of printing and although these rates will generally be available for the validity of the brochure, occasionally during periods of excess demand, when the relevant class is unavailable, we will book the next available fare class which may result in you paying a higher price than that promoted in this brochure. The government charges a levy to cover financial protection in the event of an airline failure and we automatically add this to your invoice total at the booking stage. Once you have confirmed your holiday booking, the price is protected subject to clause 2D of these booking conditions.

B. VAT and Exchange rates Our VAT Registration number is 503 944 749 and all prices quoted in this brochure include VAT where relevant (at 20% at time of going to press). The brochure prices of holidays were calculated using exchange rates quoted in the Financial Times Guide to World Currencies on 11 May 2012 in relation to the following currencies: Euro 1.2436, US Dollar 1.6097. Please note a) these rates are not comparable with note or tourist rates which are quoted in national newspapers b) hotel costs, transfers, resort representation, excursions, local taxes and part of the flight cost are typically paid in the currency of your holiday destination country. Aviation fuel is paid in US Dollars. All of these costs are affected by changes in the cost of buying foreign currency, as per exchange rates listed above. We reserve the right to increase our prices in accordance with these booking conditions.

C. Price Promise If you can find the same flight inclusive holiday at a cheaper price at the time that you book, we undertake to match the price and will give an additional £10 per adult saving off any competitor's price. In order to take advantage of our Price Promise, the component parts of the relevant holiday must be identical and we reserve the right to request confirmation in writing of the relevant competitor's holiday price. Our Price Promise cannot be actioned retrospectively after a booking has been made, and it is only available on new bookings made during the validity of this brochure. Unfortunately we cannot always match prices where we believe our competitors have made a pricing error or where they are offering the holiday arrangements at a price below their operating costs. If a competitor's price is greater than £150 per adult and/or £50 per child below our price, we deem one of these two scenarios to be true and will not honour our Price Promise.

D. Surcharges (after booking) Once you have booked, the price of your holiday travel arrangements may be varied due to changes in transportation costs such as fuel, scheduled airfares and any other airline cost changes which are part of the contract between airlines (and their agents) and the tour operator or organiser, and also in respect of government action such as changes in VAT or any other government imposed changes. In the case of any small variation, an amount equivalent to 2% of the price of your travel arrangements, and any amendment charges, will be absorbed or retained. For larger variations, this 2% will still be absorbed for increases but not retained from refunds. In either case there will be an administration charge of £1 per person together with an amount to cover agent's commission. In the unlikely event that this means that you have to pay an increase of more than 10% of the price of your holiday travel

arrangements, you may cancel your booking and receive a full refund of all monies paid, except for any amendment charges. Should you decide to cancel for this reason, you must exercise your right to do so within 14 days from the issue date printed on your final invoice.

3. If your booking is changed It is unlikely that your booking will have to be changed, but we do plan the arrangements many months in advance, therefore we reserve the right to do so at any time. Most of these changes are very minor, but where they are major, we will inform you or your travel agent as soon as reasonably possible if there is time before your departure. A major change is one that is made to a major part of your holiday arrangements before departure, such as a change of your departure airport (except between London airports), resort area or time of departure or return by more than twelve hours, or offering accommodation with a lower category rating. If we have to make a major change you have the choice of the following: A accepting the changed arrangements as notified to you, B purchasing another available holiday from us, or C cancelling your holiday and receiving a full refund of all monies paid. Additionally, if we make a major change after you have paid the full balance of your holiday and you accept A, B or C you will be entitled to compensation on the scale shown below.

Period before scheduled departure within which a major change is notified to you or your travel agent:	Compensation per adult
More than 56 days	Nil
43-56 days	£20
29-42 days	£30
15-28 days	£40
0-14 days	£50

Important note Compensation payments do not apply to changes caused by reason of war or threat of war, riot, civil strife, terrorist activity, industrial disputes, natural and nuclear disasters, fire, or other circumstances that may amount to force majeure.

4. If your holiday is cancelled We reserve the right in any circumstance to cancel your holiday and, in this event, we will return to you all money you have paid us or will offer you an alternative holiday of comparable standard to purchase. In no case, except for those beyond our control, will your holiday be cancelled after the balance is paid and in such cases compensation will be paid per clause 3.

5. What happens to complaints Disputes arising out of, or in connection with, this contract which cannot be settled amicably may be referred to arbitration if the customer so wishes, under a special scheme arranged by the Association of British Travel Agents (ABTA). The ABTA scheme provides for a relatively simple and inexpensive method of arbitration on documents alone with restricted liability on the customer with regards to cost. Under the scheme, customers must pursue their claim within 12 months of the date of return from their holiday. (Outside this time limit, arbitration under the scheme may still be available if the Company agrees, although the ABTA scheme does not require such agreement). The scheme does not apply to claims for amounts greater than £5,000 per person or £25,000 per booking, neither does it apply to claims which are solely in respect of physical injury or illness or their consequences. However, the scheme can deal with compensation claims which include an element of minor injury or illness subject to a per person limit of £1,000 on the personal injury or illness element of the claim. Full details can be provided by us, or can be obtained from ABTA at www.abta.com.

6. Our responsibility for your holiday We accept responsibility for ensuring that all component parts of the inclusive holiday, limited to items included on confirmation invoice are supplied to you as described in this brochure and to a reasonable standard. If any such part is not provided to your satisfaction due to the fault of our employees, agents, or suppliers, we will pay you appropriate compensation if this has affected the enjoyment of your holiday (see Important note in paragraph 3 above). Our liability in this respect is limited to a maximum of three times the value of the holiday. We must ask you however, to be patient and understanding in the event of unforeseen alterations to your holiday made by our suppliers over whom we have no direct control.

7. Excursions (whilst participating in arrangements made by us) Excursions or other tours that you may choose to book or pay for whilst you are on holiday are not part of the holiday provided by us. For any excursion or other tour that you book, your contract is with the operator of the excursion or tour and not with us and we are not responsible for the provision of the excursion or tour or for anything that happens during the course of its provision.

8. Personal Injury (whilst participating in arrangements made by us)

We have taken all reasonable and proper steps to ensure that proper arrangements have been made for all the holidays which are advertised in this brochure and that the suppliers of the various services which will be provided to you as part of the inclusive holiday are efficient, safe and reputable businesses, and that they comply with the local and national laws and regulations of the country in which they provide those services. We have no direct control over the provision of services to customers by suppliers. However, subject to the Notes below, we will pay to our customers the equivalent of such damages as they would be entitled to receive under English law in an English Court for any personal injury to the customer, including illness or death, caused by the negligence, as understood in English Law, of the servants or agents of ourselves or of any of our suppliers contracted or sub-contracted by us to provide any part of the arrangements for your holiday as described in this brochure. With regard to any relevant international convention for example, the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail, and the Paris Convention in respect of the provision of accommodation, which limit the amount of compensation that you can claim for death, injury, delay to passengers and loss, damage and delay to luggage, we are to be regarded as having all benefit of any limitation of compensation contained in these or any conventions. Copies of these can be made available on request.

Air Passenger Rights

Under EU law you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details of these rights will be publicised at EU airports and will also be available from airlines. However reimbursement in such cases is the responsibility of the airline and will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in paragraph 3. If your airline does not comply with these rules you should complain to the Air Transport Users' Council on 020 7240 6061 www.auc.org.uk

9. Personal Injury (Unconnected with travel arrangements made by us)

If you, or any member of your party, suffer death, illness or injury whilst overseas arising out of an activity which does not form part of your holiday arrangements or an excursion arranged through us, we shall at our discretion, offer advice, guidance and assistance. Where legal action is contemplated and you want our assistance, you must obtain our written consent prior to commencement of proceedings. Our consent will be given subject to you undertaking to assign any costs or benefits received, under any relevant insurance policy to ourselves. We limit the cost of our assistance to you or any member of your party to £5,000. Under your travel insurance cover, you must make an insurance claim under the legal expenses section in respect of any legal fees incurred abroad for that purpose.

Notes in respect of paragraphs 8 & 9 We would request that you (a) notify us of any claim for personal injury within 2 months of your return from holiday; (b) assign to Classic Collection Holidays any rights against a supplier or any other person or party you may have relating to the claim; and (c) agree to co-operate fully with us should our insurers wish to enforce those rights. This assignment is necessary to enable us to try to recover from suppliers any compensation paid to customers and associated costs as a result of personal injury to customers caused by the negligence of those suppliers. It is not our wish to profit from such assignment, and in the unlikely event of our recovering more than such compensation and costs, any excess will be paid to the injured customers.

Your commitment to Classic Collection Holidays

1. Your holiday contract As soon as your holiday booking is confirmed, you must sign a booking form accepting our booking conditions. Your contract is made on the terms of these booking conditions which are governed by English law and the jurisdiction of the English Courts. You may however choose the law and jurisdiction of Scotland or Northern Ireland if you wish to do so. Any disputes arising will be heard in the English Courts unless you prefer the courts of Scotland or Northern Ireland.

2. Payment for the holiday You pay a deposit of £150 per person (or 10% of total cost if greater, or an agreed sum to cover costs where flight seats are purchased at time of booking) when you book. This is your commitment until 8 weeks before departure when your final balance is due. **You must pay the balance at least 8 weeks before departure.** For bookings within 8 weeks to departure, full payment is required at time of booking. If payment is not received as above, we reserve the right to treat your booking as cancelled and your deposit/s would be forfeited. If you pay money for your holiday to an ABTA travel agent, they will hold that money as our agent from the time they receive it until they pay the money to us. **All credit card payments incur a charge** (1% at time of printing but subject to change)

3. If you change your booking If you want to change any details of your booking (eg transfer to a different holiday, departure date or airport), we will do our best to help as soon as we receive your request in writing. We charge an amendment fee of £25 per person named on the booking form for each detail of the booking changed and, in addition to the amendment fee, we will charge for any additional costs we incur in making the amendment/s. Please note that it is highly likely that amendment costs will increase the closer the change is made to your departure date.

IMPORTANT

Some travel arrangements (eg flight tickets purchased specifically from certain airlines and certain hotel bookings) may not be refundable or transferable after a reservation has been made and any alteration request may incur a cancellation charge of up to 100% of that particular part of the holiday arrangements.

Where the price varies depending on the number of persons travelling and the numbers are amended, the price will be recharged on the basis of the new party size. Any increase in price per person payable as a result of a part cancellation is not a cancellation charge and will not normally be covered by your chosen insurance. A separate cancellation charge will be levied in respect of bookings cancelled in accordance with paragraph 4 below. A new confirmation invoice will be issued as appropriate on which the cancellation charges will be shown.

4. If you cancel your booking You or any member of your party may cancel your booking, or part of it, once it has been confirmed, but the instructions will only be valid if in writing and signed by the person who signed the booking form. Your written instructions should go either to the travel agent you booked with, asking them to notify us immediately, or if you booked direct, to our address. To compensate us for the expense of processing your booking, payment of cancellation fees are on the scale shown. The amount payable (by whomever signed the booking form) depends on when we receive your written instructions.

Period before scheduled departure within which written holiday instructions are received by us	Amount of cancellation charge (shown as a % of total price)
More than 56 days	Deposit/initial payment
43-56 days	30% or deposit if greater
29-42 days	50% or deposit if greater
15-28 days	70% or deposit if greater
8-14 days	90% or deposit if greater
7 days to departure date or after	100%

NB. You may make a claim if your cancellation falls within the terms of your travel insurance policy.

5. If you have a complaint If you have a complaint about your holiday please refer the matter to the supplier immediately (airline, hotel, car hire etc). If further assistance is required our agent/representative in resort should be contacted. Matters can most easily be resolved for you on the spot, when the supplier can see and understand the exact nature of any problems you have. It is unreasonable to take no action whilst on holiday, then complain afterwards. In the unlikely event that matters cannot be resolved to your satisfaction our agent/representative will ask you to record details on a holiday report form of which you will be given a copy, and you must then follow up your report by writing to our Customer Services Department within 28 days of returning from resort.

6. Holiday participation We reserve the right to decline to accept or retain any person as a customer if their conduct is disruptive and affects the enjoyment of other holidaymakers, and we shall be under no liability for any extra costs incurred by such a person as a result of our doing so. Aircraft captains are legally entitled to deny boarding to any passenger presenting themselves at the aircraft who, at the captain's absolute discretion, are unacceptably under the influence of alcohol or drugs. Any passenger who is denied boarding on the outbound flight for that reason, shall be deemed to have given notice of cancellation of his/her booking at that moment, and cancellation charges will apply in accordance with paragraph 4.

7. Your accommodation The accommodation provided is only for the use of passengers shown on the confirmation invoice as confirmed by us; subletting, sharing or assignment is prohibited.

8. Your travel ticket conditions When you travel with an air or sea carrier, their conditions of carriage apply, some of which limit liability. These conditions are often the subject of international agreements between countries, and copies of the conditions which apply are available for inspection at the travel agent where you book your holiday.

9. Data Protection Act Classic Collection Holidays is registered under the Data Protection Act 1998 and will deal with all personal data you provide to us in accordance therewith. It is necessary for us to pass on your personal data to airlines, hotels, transportation companies, insurers and other agents in order to arrange the holiday you require. By making a booking or a booking enquiry with Classic Collection Holidays you have consented to allow the passing on of such data as we determine necessary for that purpose. Under the Data Protection Act, you have the right to inspect any relevant personal information held by us.
