CLASSIC TAILOR-MADE SERVICE

Our customers expect excellence, and from the moment that you contact us, you'll know that we offer a professional and flexible service. We know and love our resorts and hotels, and if there's any additional detail that you need, we'll simply contact our overseas staff or hotel partners to ensure that you are booking exactly the holiday you've dreamed about. We can easily book a scheduled, charter or no frills flight from your local airport, and we normally include private airport transfers for your arrival and departure. All our hotels have superb choices of premier rooms, junior suites and suites – sometimes even presidential suites! And to ensure that you make the most of your holiday, we include a complimentary mini-guide book with your travel documents and once in resort, there's a representative eager to help.

FLIGHTS FROM ALL UK AIRPORTS: YOUR CHOICE

There are so many airlines to choose from and we are able to include any available flight in your holiday. Please see page 47 for further flight and upgrade details including services provided by scheduled, no frills or charter airlines.

FLIGHT UPGRADES & SERVICES

On scheduled services we are able to book business class seats in addition to the economy cabin. Additionally, we can book speedy or priority boarding on certain no frills flights, and, where available on charter carriers, we can book premium seating which may include complimentary drinks, meals and additional legroom. Wherever possible we will offer you the choice to pre-book in-flight meals, extra legroom seats, pre-allocated seats and additional luggage allowances. We can, of course, contact the airline on your behalf regarding golf carriage and/or airport and airline assistance. The airline industry has changed markedly during the past few years, and in order that we can book the upgrades and services that suit you best, please enquire about their availability when you contact us about your holiday.

AIRPORT HOTELS, PARKING & LOUNGES

We want your holiday to start the moment that you leave home and through our travel partners FHR, we are able to offer a choice of airport hotels and car parks in the UK. Also, through our travel partners, Lounge Pass, we are delighted to offer an airport lounge facility both in the UK and at the majority of our overseas airports. Booking an airport lounge means that you can avoid the crowds and relax with complimentary drinks and newspapers in an exclusive airport lounge before your flight.

PRIVATE TRANSFERS

Most of our holidays automatically include private transfers from the airport to your chosen hotel so you will arrive feeling refreshed and ready to enjoy your holiday. In some destinations, these private transfers may be operated by public taxi or minibus although they will always be arranged for your own private use.

COMPLIMENTARY CHILD SEATS

We're delighted to give our younger travellers a practical gift to take on holiday, and if your booking includes children aged up to 11 years (excluding infants), we'll put you in touch with BubbleBum www.bubblebum.co.uk who will send your complimentary inflatable booster seat/s directly to you or your travel agent.

BROCHURE DETAILS & PRICES

We take great care in producing our brochures and meticulously check every detail. Although our guide prices are correct at time of printing, it is inevitable that prices and details will change after going to press. We will confirm the current price when you book, and as part of our commitment to high quality customer service, we will advise you of changes to any relevant details. Please do note that all holidays and Classic value offers shown in this brochure are subject to availability.

OUR RESORT SERVICE

Our overseas staff love their resorts and will be delighted to share their considerable knowledge with you. Classic customers tend to be well-seasoned travellers and, because we know that you prefer to exercise your independence, our resort management services are discreet and unobtrusive. We generally endeavour to contact you at the beginning of your stay to ensure that everything is to your liking and will be delighted to give advice on places to visit, sights to see, traditional restaurants, local wines and culinary tips. Additionally you'll be given a 24-hour local contact number in case you need additional assistance during your holiday.

The air holidays and flights in this brochure are ATOL protected by the Government-backed Civil Aviation Authority (CAA) under ATOL number 5837. For holidays and travel arrangements which do not include travel by air, your financial protection is administered by the Association of British Travel Agents (ABTA) under membership number W5429. In the unlikely event of our insolvency, the CAA and/or ABTA will ensure that you are not stranded abroad and will arrange to refund any money you have paid to us for an advance booking. ABTA members help holidaymakers get the most from their travel arrangements, and assist them in the unlikely event that things do not go according to plan. Under ABTA's Code of Conduct, we maintain a high standard of service to our customers. BOOKING ONLINE

We offer a tailor-made service which isn't available on line. Our website www.classic-collection.co.uk offers information, photographs, a brochure ordering and booking enquiry service, and our friendly reservations team are highly trained to ensure that they can book exactly the right holiday for you. Our freephone number 0800 008 7288 ensures that you, or your travel agent, can call us at our expense and we're open until 10pm every evening so you can take advantage of our expert services at a time most convenient to you.

WHEN TO TRAVEL

Some of the resorts in this brochure feature hotels which provide year-round holidays, but you may find that in some areas there are fewer facilities and attractions available during the quieter holiday months. The choice of restaurants in some hotels may be limited during quieter periods and some activities may be restricted by seasonal demand. If a particular hotel facility or a specific feature or attraction is important to the enjoyment of your holiday, please discuss this with us at the time that you book.

INDUSTRY AWARDS

Classic has been honoured with Outstanding Service Awards annually since 2005 by the specialist travel agents in AITO and during the last year we've been the proud recipients of additional accolades from Elite, Advantage, TTA and Worldchoice, Travel Bulletin and the SPAA. In 2011, we were listed in The Telegraph's top 1,000 companies, and were short-listed in the prestigious British Travel Awards.

CLASSIC TAILOR-MADE SERVICE

We tailor-make all our holidays so that you are free to choose your departure airport, the airline you'd like to fly with, and the length of your holiday. We simply ask you when you'd like to travel and your preferred departure airport, and then we can give you a choice of the best available flight times so that you can choose the flight that best suits you. The prices shown in this brochure are for the most popular holiday durations, but alternative durations from as little as 2 nights up to 3 months are also available. Short breaks are becoming increasingly popular as more and more of us enjoy numerous annual holidays, and whether it's a quick midweek or weekend break or longer holiday, simply contact us for availability and prices.

SHORT BREAKS

As more and more of us enjoy numerous holidays to help us de-stress and relax, short breaks have become not just more popular, but are now seen by many as a necessity. Here at Classic Collection Holidays we provide a flexible tailor-made holiday service and can book any holiday length for you, although durations of less than four nights generally have to be requested from our hoteliers.

TWO CENTRE & MULTI CENTRE

You may like to combine the contrasting scenery between the interior and the coast of your chosen destination and a number of suggested twin centre combinations can be found on pages 14-15. We can easily tailor make twin-centre or multi-centre holidays and our reservations team are happy to discuss with you any combination of our featured hotels.

ACCOMMODATION ONLY

If you prefer to organise your own flights, we are happy to book hotel accommodation for you. Room upgrade supplements will be the same as detailed on the hotel description pages, and we can easily include private transfers for your arrival and departure.

CLASSIC VALUE

Classic Collection Holidays managers and staff visit each of our destinations personally in order to ensure that we negotiate the best possible terms with our hoteliers. Because of this personal relationship, we are able to negotiate special Classic value offers which are highlighted on each hotel page. These may be in the form of early booking offers, complimentary room upgrades, reduced supplements at certain times of the year etc. And, because we continue to negotiate with our hoteliers after our brochures have been published, we are always in receipt of additional offers which are published on our website and promoted by our reservations staff. Please ensure that you call us to check prices as offers can result in the price reducing from those originally published.

FLEXIBLE DINING & ALL INCLUSIVE

So that you can sample the local restaurants, but still have the option of pre-booking your evening meal in the hotel for some nights, take advantage of our flexible dining plan. You can book as many, or as few, evening meals in the hotel as you wish and you don't even have to tell us for which nights until you arrive at the hotel. Prices for dinner are detailed as half board supplements on each hotel page. Some hotels offer an all inclusive package to include meals, drinks, children's clubs and non-motorised sports. Please do check with us carefully as to what is actually included.

WELCOME TO MOROCCO

Just a four hour flight from the United Kingdom, Morocco encapsulates the exoticism of far more distant lands. The towering Rif and Atlas Mountains proved historically to be an impenetrable barrier to successive invaders, thereby preserving the lifestyle and language of an indigenous Berber population who have added a richness and unique cultural depth to this Mediterranean country. Morocco is a mountainous and surprisingly green country of outstanding natural beauty, where the dazzling peaks of the Atlas give way to the silent shifting sands of the Sahara desert, and the gently undulating hills of Eucalyptus and Argana trees succumb to long ribbons of golden sand on the Atlantic coast.

WHERE TO GO

As one of the world's most exotic destinations, Morocco lies at the doorstep of Europe just 14km south of Spain. Marrakech, with its backdrop of Atlas Mountains, is vibrant and intoxicating although peace and tranquillity can be enjoyed in equal measure in any of our luxury hotels and riads. Outside Marrakech, numerous converted Kasbahs (fortified buildings) combine luxury, tradition and amazing rural views, whilst Agadir and Essaouira cater for those wanting to mix Moroccan traditions with sandy beaches and Atlantic Ocean coast. Any of our featured hotels can be combined for twin and multi centre holidays, and we've included a private tour, Medinas of Morocco, for those ready to discover this truly inspiring country.

CLIMATE

Spring can start as early as January, the summer months are hot, and the sustained sunshine and blue skies of autumn can extend right through to late November or early December. Spring and autumn see temperatures tending to hover around the mid to late 20's during the day.

CUISINE

The food of Morocco reflects the country's diverse cultural heritage. The Berber influence remains strong with many of the traditional Moroccan dishes such as couscous, tajine (tasty stews) and harira (hearty soups) being Berber in origin. The Bedouin Arabs introduced dates, milk, grain, bread and dried pasta. The Moors brought Andalusian foods to the feast - nuts, fruits, herbs and oil, and invading Arabs brought a wealth of spices from the East. Essentially Moroccan cuisine is based around the staples of peppers, tomatoes, garlic, olives, eggs, onions, couscous, chicken, lamb, pigeon, fish and a wealth of spices, fruits, nuts and pastries both savoury and sweet. Marrakech offers some great Moroccan dishes served in beautiful traditional restaurants. Essaouira has a number of restaurants whose appearance belies the quality of the food available - never judge a book by its cover! Agadir has a huge number and variety of restaurants with menus offering Italian, French, Indian, Chinese and Lebanese.

CURRENCY

The currency of Morocco is the Dirham and at time of brochure publication, the rate of exchange is approximately 13.5 Dirham to £1. As a closed currency, it cannot be purchased outside Morocco. Sterling cash can be exchanged at the airport on arrival, or in the resort hotels. Cash machines are available in cities and coastal resort areas but are rare in rural areas.

RAMADAN

In 2013 the Muslim fasting month of Ramadan will be observed from 9 July-7 August which might be an incentive or a deterrent to people wishing to travel. Some restaurants in resort areas might close for the month, but the evening and night time celebrations, particularly from the end of the second week onwards are particularly lively and colourful.

CLOTHING

You'll need to be cool in the heat of the day but also respectful of the Muslim religion, particularly when visiting Islamic monuments and when wandering the alleyways of the souks in any of the towns or resort areas, and modest clothing should be worn, covering up from shoulder to just below the knee. Topless sunbathing is only permitted in private hotel grounds and swimwear is only acceptable in close proximity to a swimming pool or on the beach.

TRADITIONAL RIADS

Within the walls of Morocco's ancient cities a large number of former Moroccan merchant's homes have been beautifully converted into small riads of great charm and character providing delightful retreats. In a country where it is not acceptable for a rich man to flaunt his wealth, riads have a modest exterior. A covered passageway leads to an interior courtyard where silence is only broken by the sounds of a fountain in a central courtyard. Lounges and dining areas, open on one side, are built off the courtyard which is overlooked by the upper storeys onto whose suspended corridors the bedrooms open out. Roof terraces offer areas for dining al fresco, boasting great views into the medina below. To stay in a riad is to appreciate Moroccan hospitality at its very best and to enjoy a tantalising taste of a way of life that has remained unchanged for centuries.

MOROCCO ACTIVITIES

This is an exhilarating country where the miasma of cultural opportunities includes multitudes of historic monuments and buildings plus a plethora of mesmerising medinas and souks. Additionally, Morocco offers everything from a bit of gentle swimming, or lazing in the hotel pool or spa, to the more active pursuits of mountain biking, trekking, horse riding and tennis, plus there are some impressive golf courses, and watersports available along the coast. For adrenaline filled days there's quad biking over sand dunes, and winter skiing not far from Marrakech, although one of the best ways to fully appreciate the country's spectacular scenery must be to engage the services of a local guide and mule for a day's trekking through the mountains and valleys of the High Atlas. Cookery schools are growing in popularity for those wishing to learn more about the art of preparing Moroccan cuisine.

HIKING & TREKKING

There are many opportunities for trekking in the unspoilt and beautiful High Atlas Mountains, and from Marrakech there are hikes available with the services of a local mountain guide. An organised day's trek or hike through this impressive mountain range with its stunning red and ochre landscape, crossing dry river beds and passing through traditional Berber villages, includes a stop for lunch in a traditional Moroccan home or restaurant.

WATERSPORTS

Agadir boasts a wonderful year round climate on the Atlantic Ocean and active visitors can enjoy a wide variety of watersports including windsurfing and jet skiing. Just along the coast to the north of Agadir there is excellent surfing and bodyboarding for all abilities at the laid back beach resort of Taghazout and Essaouira is popular with the windsurfing fraternity. The Atlantic also provides opportunities for deep-sea fishing whilst the lakes of the Atlas are rich in trout, bass and pike.

GOLF

Ideal weather combined with a good number of impressive courses, ensures that Morocco is becoming increasingly popular as a golfing destination. Mild winters and hot summers tempered by cooling ocean breezes make Agadir perfect for golf and there are four courses including the stunning Le Soleil Golf Club at RIU Grand Palace Tikida Golf plus, for players of all abilities, Les Dunes Golf Club. Close to Marrakech, away from the bustle of the city, there are five fabulous courses, the most popular of which is the spectacularly placed Amelkis Golf Club with a wonderful backdrop of the Atlas Mountains, whilst Essaouira boasts the 18 hole Gary Player designed, Golf Mogador. For further details please contact our reservations team who will be happy to discuss your golfing requirements and can assist with booking tee times.

Koutoubia Mosque, Marrakech

Les Jardins de la Medina (p23)

QUAD BIKING

For an exhilarating adventure, spend a day quad biking. In Essaouira, a wonderfully memorable experience is a ride on the beautiful soft sand dunes along the ocean front, whilst closer to Marrakech, you'll ride to the Atlas foothills through endless green expanses of wild palm groves, passing through traditional Berber villages and crossing dry river valleys and rock deserts.

CHEZ ALI FANTASIA

A true 1001 Nights experience ending with spectacular fireworks, Chez Ali is situated just outside Marrakech and provides an authentically Moroccan evening of fine cuisine, traditional folklore and the warmest hospitality. There are performances by musicians and dancers, and a Moroccan four course feast is served in traditional Caidal tents before a breathtaking display in the main arena of acrobatic horse-riding skills and mock battles between rifle-wielding Berber horsemen.

SPA

Many of our hotels offer exquisite and beautifully designed hammams and spas with an array of treatment packages that can be booked in resort or pre-booked. Simply enjoy a massage or take a soothing dip in a thalassotherapy pool, or why not discover a traditional hammam treatment involving a deep cleansing ritual, all in tranquil and relaxing surroundings. For further details or to book a spa package, simply contact our reservations team.

COOKERY SCHOOLS

La Maison Arabe and Les Jardins de la Medina, two of our hotels in Marrakech, offer cookery workshops where you can learn the secrets of Moroccan pastries and how to create delicious, traditional tajine, delightful salads and traditional mint tea. Small groups of participants are taught by a dada (traditional Moroccan cook) alongside a translator, and at the end of each workshop, participants can enjoy the specialities they have prepared. Both hotels offer individual lessons in addition to their group workshops.

SIGHTSEEING

Hiring a local guide can be a good option to discover more of this fascinating country, especially in the, sometimes bewildering, souks and medinas. From Marrakech, a driver/guide can be arranged to take you further afield if you'd like to experience the High Atlas Mountains or some of the other Imperial Cities, some of which are also accessible by train.

Another year-round alternative transfer from Marrakech is via Essaouira, where you can stop to enjoy lunch, followed by the scenic coastal route to Agadir.

CLASSIC MARRAKECH

Few cities enjoy such a vibrant and intoxicating atmosphere as heady Marrakech so why not combine a delightful few days in this culturally exciting city with the peace and tranquillity and slower traditional Berber way of life enjoyed in our mountain hideaways in the nearby High and Middle Atlas.

Few cities in the world enjoy such a dramatic setting and intoxicating atmosphere as Marrakech where the rose-pink walls of the ancient city sit low beneath the soaring peaks of the Atlas Mountains and the fronds of towering palm trees jostle for position above the medieval ramparts where nesting storks colonise each vacant turret. One of Morocco's four Imperial Cities, Marrakech was founded in 1062 and is today still the commercial centre for the High Atlas and the Moroccan Sahara. An exciting and lively city, it boasts a vibrant medina listed as an UNESCO World Heritage site, vast souks considered by many to be the best in Morocco, numerous historic monuments, luxurious riads and tranquil, exotic gardens.

DJEMAA EL FNA

Marrakech has attracted visitors for centuries and Djemaa el Fna square is the focal point to which tribes and travellers have been drawn since ancient times. Each day, as the shadow of the elegant Koutoubia minaret lengthens towards the square, the carnival begins and an extraordinary collection of Berber musicians, snake-charmers, fortune tellers, fire eaters and dancers gather to entertain the ever shifting circles of mesmerised onlookers. During the day, wander for hours through the seemingly infinite souks and enjoy a refreshing mint tea on the terrace of a pavement cafe whilst waiting for the colourful pageant to unfold.

MEDINA & SOUKS

A multitude of souks are found in the intricate maze of the vibrant medina where the heady scent of the spice stalls, the din of the carpet auctions and the bustle of the crowds, creates an exciting atmosphere. Souk des Teinturiers, the dyers' souk, is strung with brightly coloured wools and silks, Souk Zrabia, the former slave market, trades in beautiful carpets, and Souk des Babouches specialises in traditional Moroccan slippers. There is a large covered street market, Kissaria, a leather market for bags, boots, sandals and jackets, and numerous souks selling pretty much anything you can think to buy and wish to haggle for!

MOUNTAIN HIDEAWAYS

The High Atlas is North Africa's greatest mountain range boasting soaring peaks, evocative Kasbahs, lush valleys and terraced hillsides dotted with Berber settlements where locals continue to lead a delightfully traditional way of life. For those favouring tranquillity in an off the beaten track setting, the valleys and villages of the High Atlas are ideal and we feature a number of such properties. Approximately an hour's drive from Marrakech, and in wonderful contrast to the city, is the fertile Ourika Valley where Kasbah Bab Ourika perches majestically at the apex of the valley boasting breathtaking views of the surrounding area. The busy little town of Asni with its lively Saturday market is the gateway to the Toubkal Massif, the highest peaks of the High Atlas, and set in the surrounding foothills is the Kasbah Angour and Sir Richard Branson's magical retreat, the luxurious Kasbah Tamadot with its beautiful lush gardens and magnificent views.

MARRAKECH SIGHTS

THE GARDENS OF MARRAKECH

Visit the gardens of Marrakech by horse-drawn carriage including the Menara Gardens where the famous Saadian Pavilion overlooks the reservoir against the backdrop of the Atlas Mountains. Take in the Agdal Gardens en route to the lush botanical Majorelle Gardens, privately owned by Yves St Laurent.

BEN YOUSSEF MEDERSA

This former 14th century theological college housing more than 130 student 'cells' was the largest medersa in Morocco, originally built to rival the colleges in Fes. Influenced by Andalucian architectural styles, it is beautifully decorated with intricately carved cedar wood and mosaic tiling.

KOUTOUBIA MINARET

The city's most notable landmark, the extraordinary 12th century Koutoubia Minaret, towers above Djemaa el Fna at a height of nearly 70m. Named after the Kutubiyyin, manuscript sellers who laid out their wares in the square, it is the oldest and most complete of three great 12th century Almohad minarets: the others being Hassan Tower, Rabat, and Giralda, Seville.

SAADIAN TOMBS

The 16th century tombs of the powerful Saadian dynasty, sealed up by the vengeful Sultan Moulay Ismail, were re-discovered in 1917 and a passageway built allowing access to these lavishly decorated pavilions.

EVENING AT YACOUT

Enjoy cocktails on the roof terrace overlooking the medina before dinner in one of North Africa's most revered restaurants, originally an ancient Palace. Splendid rooms, decorated with antique chandeliers and stunning mosaics, offer an intimate atmosphere whilst ornate crystal, fine china and white table linen strewn with rose petals, complement a beautifully presented traditional Moroccan feast.

AIT BEN HADDOU

Cross the High Atlas by the Tizi N'Tichka Pass for unrivalled views of the mountains and semi-desert like terrain, before visiting the UNESCO World Heritage site of 11th century Ait Ben Haddou Kasbah.

PALAIS SEBBAN 1st Class Riad Marrakech Medina

A tranquil retreat

Centrally located in the Medina within walking distance of Djemaa el Fna, this family owned riad has been beautifully restored and opens its doors to privileged guests who will undoubtedly enjoy the myriad of zelliges (Moroccan mosaic tiles), lazy afternoons around the pool and star gazing from the roof terrace. Palais Sebban offers a romantic and intimate atmosphere and guest rooms and suites are individually decorated with traditional themes, and we particularly recommend one of the higher room categories. There's a formal dining room and several outdoor dining areas where Moroccan specialities or international dishes can be savoured and breakfast on the roof terrace as the city wakes is a most enjoyable way to start the day before exploring the wonders of the souks.

More sumptuous, splendid palace than hotel, the legendary La Mamounia is one of the world's most celebrated hotels, and the very definition of opulent luxury. Sheltered within ancient walls amongst 17 acres of fragrant parkland, the gardens are a true delight, filled with unforgettable bird-song, 13th century olive trees, hibiscus, acacia, citrus and flowering borders of stunning colour. Inside, ornate Moorish details blend with timeless, subdued style. Rose-scented, deep carpeted hallways and lavish guest bedrooms and suites evoke the elegance and romance of an era long past. The enticing, turquoise swimming pool, fringed by palm trees, is surrounded by spotless white sunloungers. Poolside lunches are a delight. There are four quite magnificent gastronomic restaurants with two Michelin starred chefs and an immaculate award-winning marble and mosaic spa. La Mamounia is an excellent choice for discerning guests seeking the ultimate in luxury hotel living.

CLASSIC BEACH RESORTS

Morocco is perfect for twin centre holidays. Spend a few days soaking up the culture in vibrant, bustling Marrakech, enjoy another few days soaking up the sun, relaxing in delightfully charismatic Essaouira or well-known, popular Agadir. Both boast beautiful beaches, warm Moroccan hospitality and sparkling blue Atlantic waters.

ESSAOUIRA

Essaouira is a delightfully charismatic coastal town popular with international travellers and city dwellers from Casablanca and Marrakech. Above the medieval battlements of its medina, the whitewashed, blue shuttered houses look out over an arc of perfect golden sand towards the Atlantic and the bustling harbour. Inside the city walls, the coastal breeze threads its way through a maze of streets and alleyways where art galleries, antique shops, smart boutiques, excellent seafood restaurants and serious surf shacks for the keen windsurfing fraternity, sit alongside market stalls, barbers and traditional workshops. It's relaxing and enchanting, and Essaouira offers as easy-going holiday experience.

AGADIR

Morocco's premier beach resort, Agadir, is a modern, well planned resort with a wonderful year round climate and 10km of sandy beaches neighbouring the Atlantic Ocean. The original town of Agadir has been completely rebuilt after the devastating effects of an earthquake back in 1960 although there are still the ruins of a 16th century Kasbah standing guard over the modern port to the north of the town offering lovely views over the bay and along the coast. Gardens and parkland separate the residential areas from the hotels which border tree lined promenades, boulevards and the beach, and there are numerous restaurants, cafes, bars and nightclubs, as well as a huge selection of shops, a small colourful souk and, 4km from the city centre and built as a reproduction of a traditional medina, the artisan Medina d'Agadir. Active visitors can enjoy a wide variety of watersports including windsurfing and jet skiing, and just along the coast to the north of Agadir there is excellent surfing and bodyboarding for all abilities at the laid back beach resort of Taghazout. There are four excellent golf courses nearby ranging from nine to 36 holes.

CUISINE

Moroccan cuisine is exciting and exotic, influenced by the Berbers, the Moors, the French, and Bedouin Arabs with typical dishes including tajine, a stew cooked in an earthenware vessel with a conical cover, harira, a lamb and chick pea soup, and pastilla, layers of paper thin pastry with pigeon or chicken, ground almonds, spices and dusted with powdered sugar, as well as the most important staple, couscous, prepared in a variety of ways. Essaouira has a number of restaurants whose appearance belies the quality of the food available and Agadir has a huge number and variety of restaurants with menus offering Italian, French, Indian, Chinese and Lebanese.

GOLF

Mild winters and hot summers tempered by cooling ocean breezes make Agadir perfect for golf and there are four courses including the stunning 36 hole Le Soleil Golf Club, and for players of all abilities, the 27 hole Les Dunes Golf Club. In Essaouira the 18 hole Golf Mogador, designed by Gary Player and surrounded by dunes, forest and the ocean, provides a haven for the golfing enthusiast.

BEACH RESORT SIGHTS

CATAMARAN CRUISE

From Agadir, enjoy a cruise along the North African coast with its varying landscape, interesting rock formations, delightful villages and secluded beaches. Lunch is included and there's time to sunbathe, swim and try a little fishing.

MARRAKECH

From Agadir, a full day tour to the Imperial City of Marrakech takes in numerous historical monuments and sites, the medina and its souks, plus the famous and exotic Djemaa el Fna square with its extraordinary collection of Berber musicians, snake charmers, fortune tellers, fire eaters and dancers gathering to entertain the ever shifting circles of mesmerised onlookers.

Essaouira

TAROUDANT

A 90 minute drive from Agadir in the Sous valley is the ancient and traditional red-ochre walled city of Taroudant. Once the capital of the Saadian dynasty it boasts impressive medieval ramparts, bustling souks and an old kasbah quarter with a 19th century palace transformed into a hotel.

TAFRAOUTE

A delightfully scenic tour into the Anti Atlas Mountains passes abandoned Kasbahs and Palmeraies and adobe style villages clinging to the mountain slopes. Nestling in the enchanting Ameln Valley is Tafraoute, a village of pink granite rock standing amidst almond tree plantations and date palm groves.

SKALA DE LA VILLE

The walk along the top of the impressive ramparts guarding the approach to the harbour in Essaouira boasts fabulous views over the medina and out towards the ocean. Below, built into the sea wall, are wood workshops producing wonderful pieces of work from the local Thuya hardwood, and souks offering some very fine traditional handicrafts.

IMMOUZER

From Agadir travel into the foothills of the Atlas Mountains and discover an area of outstanding natural beauty with high peaks and sheer cliffs, gorges and stunning vistas, plus an oasis of a thousand date palms.

HEURE BLEUE PALAIS ★★★★★

Essaouira medina

A Relais & Châteaux property offering all the comforts of a truly superior hotel

Heure Bleue Palais is undoubtedly the most luxurious riad in Essaouira. At the heart of the property is a lovely interior courtyard complete with ornamental fountain and towering palm trees. The guest bedrooms have a distinctly colonial feel to them while the suites have African, Portuguese, Oriental or English themes to reflect Essaouira's varied history. Unusually for a riad, and unique for a hotel in Essaouira, Heure Bleue features a rooftop pool with sundeck, an inviting dining area for lunch as well as a private area set aside for massage and spa treatments. The hotel has an enviable reputation for its cuisine; on royal visits the King of Morocco has enlisted the services of the Heure Bleue Palais' chef and his team. The cosy club style bar is the perfect spot for a pre-dinner drink and the discreet home cinema, library and billiards room shouldn't be overlooked. The small, intimate spa and hammam has been exquisitely designed to offer all you need by way of relaxation. A member of Relais & Châteaux.

CLASSIC FLIGHTS

Choice of flights We know that our customers like to fly from a local airport that is convenient to them and because we tailor-make every holiday to suit you, we are able to book scheduled, charter or no frills flights from a wide range of UK airports. Please call our reservations team for further details regarding the services provided by different airlines.

Scheduled airlines These offer high frequency and often daily services to our destinations which allows you the luxury of choosing your departure day and holiday duration. Scheduled flights provide a high level of service and comfort, normally with generous legroom (typical seat pitch 31 inches), punctuality, meals relevant to the time of day, plus complimentary bar and in-flight entertainment. Scheduled services also give you the chance to upgrade to business and first class cabins. Classic Collection Holidays offers flights with all scheduled carriers.

Domestic flight connections via London So that our customers can take advantage of the flexibility and reliability of scheduled flights from London, we are pleased to offer domestic flights from all UK airports.

No frills flights Often referred to as low cost airlines, these flights do not provide complimentary in-flight drinks, meals, or entertainment and seats are not normally allocated prior to boarding although families with young children are given priority boarding status. Prices vary dependent upon travel dates and when you book. We can easily include a no frills flight from your local airport, but if you wish to book your own no frills flight we are happy to book the rest of the holiday for you.

Charter flights Through a range of charter airline partners, we are delighted to offer a choice of direct flights from many UK airports. These flights may restrict your holiday duration to 7 or 14 nights, but we know that to fly direct to your holiday destination from your local airport is normally preferable.

Private jets Together with travel industry partner, FHR, Classic Collection Holidays enjoys a partnership with a fully licensed airline company which specialises in the provision of private executive aircraft. For total flexibility, privacy and convenience, we can charter a private aircraft giving you the ability to create your own holiday timetable to any of our destinations. You can choose the aircraft type, the seating arrangements, the level of service, your departure airport and the flight timings that suit you best.

Flight details Information including flight duration and departure airports is provisional and is for guidance only and the right is reserved to substitute alternative airlines and/or aircraft (scheduled, charter or no frills). Brochured holiday guide prices are based on standard seats and airline rates applicable at the time of printing. Flight tickets are not transferable or refundable. All holidays are operated under CAA Licence (ATOL No. 5837).

British Airways Two cabin options are available: Euro Traveller and Club Europe. British Airways' Euro Traveller passengers in the main cabin enjoy the highest standards expected of British Airways including 31" seat pitch, meals and snacks relevant to the time of day and flight duration and complimentary drinks (wine, beer and spirits). One bag (maximum weight 23kg) per person can be checked into the hold free of charge.

Upgrades British Airways' flights offer a choice of cabin options dependent upon the route. Club Europe benefits include 33" seat pitch, meals and snacks relevant to the time of day and flight duration, complimentary drinks (wine, beer and spirits), dedicated check-in desks and the use of airport lounge facilities. Club Europe passengers also enjoy an increased luggage allowance and two bags (each weighing a maximum of 23kg) per person can be checked into the hold free of charge.

Offset carbon emissions Classic Collection Holidays contributes more than £500 annually to offset the emission from our staff flights. To learn more about carbon emissions and to help reduce your own footprint, please visit www.reducemyfootprint.travel

These flights are a sample of relevant flights. Please contact us for details of any additional flights (scheduled, charter or no frills) that may be available from your local airport.

HOLIDAY INFORMATION

MAKING A BOOKING

Our experienced team can give you the name of our appointed travel agent in your area and will help you choose a suitable holiday and make a reservation on your behalf. If you book through a travel agent, they will check details and availability with us and if you accept these as satisfactory, a formal contract will exist between you and Classic Collection Holidays. If you make a booking directly with us, we will discuss and confirm the details of the holiday with you and, if you accept these as satisfactory, a formal contract will exist between you and Classic Collection Holidays and your credit card details will be taken at that time. In either event, you must sign the completed booking form and pay the appropriate initial payment or, if within 8 weeks of departure, the full holiday price. The booking form and payment must reach us within 4 working days of the booking being confirmed and we reserve the right to cancel the booking and apply full cancellation charges if they are not received within this time. **Late bookings** made within 8 weeks of departure require that the total balance is paid immediately. Normal cancellation charges apply to late bookings should you subsequently cancel. **Recommendations** can be made by our team although the final decision as to hotel and resort suitability is ultimately your choice and we cannot be held liable for our suggestions. Please note that for staff training purposes, telephone calls may be monitored and/or recorded.

Special requests such as adjoining rooms, dietary requirements etc, should be detailed under Special requests on the booking form. We will inform the property management and/or carrier of your requirements but we cannot guarantee that these will be met. Where additional local costs are involved, payment should be made directly to the supplier. If you have a **disability or suffer mobility difficulties**, please complete our Special Needs Checklist before we confirm your booking. You may wish to research the suitability of your chosen property with Tourism for All 0845 124 9971/73 www.tourismforall.org.uk

BEFORE YOU TRAVEL

Passports, visas & travel advice Your passport, visa and immigration requirements are your responsibility and you should confirm these with relevant Embassies and/or Consulates. We do not accept any responsibility if you cannot travel because you have not complied with any passport, visa or immigration requirements. For British Citizens, a full ten-year passport is required for travel and it is recommended that your passport is valid for six months from your return date to the UK. Children under 16 must hold their own five-year passport. Contact the UK Passport Agency 0870 521 0410 or www.passport.gov.uk for details. **Please note that your name and initials on your flight tickets/documentation must match those on your passport.** For all aspects of travel overseas, contact the Foreign and Commonwealth Office (FCO) tel 0845 850 2829 or visit www.fco.gov.uk/knowbeforeyougo.

Vaccinations & health requirements In certain countries, it is wise and sometimes obligatory to have certain vaccinations. Currently none of our destinations require vaccinations, although as regulations frequently change, you should check with your travel agent or Department of Health for up-to-date information.

Travel documentation Your flight tickets including e-ticket information and holiday itinerary will be dispatched approximately 10 days prior to your departure. Late bookings may require a TOD (ticket on departure) which may incur a small charge.

OUR BROCHURE & HOLIDAY DETAILS

Brochure accuracy This brochure was printed on 29 June 2012. Details are valid for departures from 1 November 2012 to 31 October 2013 or until publication of any revised edition, or you are notified otherwise by your travel agent or our reservations staff. All the facts in this brochure are re-checked for accuracy by our staff and, where possible, our hoteliers, although of course it is always feasible, especially in low season, that facilities may be unavailable as hotels, especially those which are open all year round, will require maintenance (eg pools), redecoration and refurbishment. Service within hotels may change from time to time eg dining changes from traditional waiter service to buffet style. Such events are regrettably beyond our control although we will alert you to significant changes at time of booking, or if you have already booked, we will contact you as soon as is reasonably possible if there is time before your departure.

Hotel details We are happy to advise hotel web addresses, but cannot accept responsibility for their accuracy.

Room types and upgrades Single rooms normally carry a supplement which is for the convenience of having a room to yourself and location/facilities may be inferior to that of a twin room. In family rooms and twin or double rooms that take additional beds, do note that the extra bed/s could be of a folding or convertible sofa type and beds for children may not be full adult-sized singles. When additional beds are put in a room, floor space will be reduced and cupboard access may be limited. Junior suites normally have a sitting area, and suites have a sitting area or separate sitting room. Ocean or sea view rooms enjoy views of the ocean/sea although foliage, buildings etc may sometimes interrupt a full view. Ocean facing or sea facing rooms will face the ocean/sea but will normally be on lower floors where the view of the ocean/sea may be obscured through gardens/trees etc. Side ocean view or side sea view rooms offer a restricted view of the ocean/sea.

Room upgrade supplements are normally detailed on the hotel pages, but occasionally you may see the phrase on request which means that we will have to contact the hotel for up-to-date prices.

Hotel facilities normally incur a charge eg sun loungers, tennis, squash, mini-golf, pool table, watersports, entry to disco/nightclub, use of fitness/leisure and spa facilities, children's clubs, cots, safety deposit boxes and car parking.

Nights & meal arrangements The number of nights on your confirmation invoice refers to the number of nights reserved in your hotel. If you arrive late at night or in the early hours of the morning, your accommodation is immediately available as it has been reserved for the whole night and this will count as one of your holiday nights. If you have booked half or full board, you may lose a meal due to your time of arrival or departure and this will have been reflected in your holiday price. Full board normally consists of breakfast (usually continental buffet-style), lunch and dinner; half board is breakfast and dinner. Half board or full board arrangements, as indicated in the hotel descriptions, are generally served in the main dining room and are based on a standard table d'hote menu although this normally includes a choice of dishes. Many hotels offer buffet style meals and some a combination of waiter and buffet service. A full a la carte menu is available for an extra cost in most of our hotels and customers should note that when half or full board is offered as a la carte dining, exclusions such as lobster, prawns etc may be available for a local supplement. Most hotels offer the option of booking any number of nights on half or full board so that you can pay in the UK and decide which nights you wish to eat at the hotel when you arrive: simply ask our reservations staff for details.

Dress code Due to the sophisticated nature of many of our hotel restaurants, shorts and t-shirts are unacceptable for evening dining and slightly more formal attire is recommended.

Children & infants Some children's prices are detailed on our hotel pages but owing to space restrictions, we cannot detail all relevant prices and you should contact our reservations department for specific prices. To take advantage of children's prices, a child must normally be aged 2-11 years at the date of return and must share a room with two adults or full fare paying passengers, although some hotels offer special reductions for a second child sharing the room, or for older children, or for a child travelling with one adult, or where children share an interconnecting room. Children paying child prices can normally benefit from reduced half board supplements (when booking same board basis as adults) and will not normally be charged room supplements although if these are payable, relevant prices will be advised at time of booking. Normally children staying in their own room will be charged as full fare paying passengers including relevant room and half board supplements. Please note that where children's reductions are relevant, their date of birth and age on the date of return from holiday must be advised on the booking form. Infants (under two years of age at date of return) pay a charge to cover our administration costs and additional charges may be levied for certain flights, inter-island connections or business class cabins. Hotels will charge locally for food and cots. Please note that the regulations applied to the manufacture of cots in other countries are not as high as those in the UK and may not conform to British safety standards. Also please note that the date of birth and age of infants on return from holiday must be advised on the booking form.

Child seats Although we can request child seats for private transfers in resort, they cannot always be guaranteed and in such cases we suggest that you bring your own (see complimentary BubbleBum offer page 5).

Babysitting arrangements are available at many properties although the service will vary and the sitter may not remain in the room with the child. If you wish to use a babysitting service, you must arrange and pay for it locally with the sitter who is frequently a member of the hotel staff not qualified in child care.

Check in/out On arrival at hotels, check in time is normally 4pm and check out 12 noon. Most hotels can provide luggage storage and changing room facilities if you arrive earlier or stay later and you may be able to pay locally for a late check out: simply contact your hotel reception.

Health & safety All our properties are checked regularly for compliance in respect of local regulations. However, guests must exercise caution particularly with regard to fire safety, swimming pools, balconies, lifts etc, where compliance may not be equal to British standards.

Resort development may be in progress and occasionally the work involved will result in building work being in evidence. We cannot forewarn of all developments, however, if the works taking place, either through noise or other inconvenience, is felt by us to affect your overall holiday enjoyment, we will supply all such information to you directly or via your travel agent. Many of our resorts are in popular holiday destinations which invariably have busy road networks so you may encounter some traffic disturbance especially during peak season.

Representation Due to the specialist nature of our programme it is not always practical to visit our guests in their hotel particularly where multi-centres, island hopping or fly drive holidays are booked. All customers will be given emergency contact numbers, and departure details will be confirmed on arrival in resort. Our resort representative or local agent will normally make contact within 24 hours of your arrival to ensure that everything is in order, although should you encounter any difficulties during your stay, please contact your hotel manager in the first instance, and if further assistance is required, simply contact our resort manager or local agent who will endeavour to resolve the problem.

CLASSIC BOOKING CONDITIONS

Our commitment to you

1. Provision of your holiday We will arrange for the provision to you of the services which make up the inclusive holiday as confirmed to you. These services will be provided either directly by us or by independently contracted suppliers. When you, or your travel agent ask for your holiday booking to be confirmed, we allocate your chosen holiday to you and give confirmation of the booking at that moment. It is then that a firm contract exists between you and Classic Collection Holidays Limited (Registered in England no. 1512421) on the basis of this brochure. This also acts as your acceptance of our booking conditions and your holiday is secured from that moment. We will later send you or your travel agent a holiday confirmation invoice verifying the details and prices of the holiday that you have already booked, which in most cases will have been confirmed by telephone.

All holidays and offers advertised in this brochure are subject to availability.

2. Your holiday price

A. When you book All prices, supplements and offers shown in this brochure are based on costs at time of printing (29 June 2012) although we reserve the right to amend all prices, supplements and offers (up or down) when we receive notification of new costs. Some hotels intentionally practice fluid pricing which means that their costs (reflected in our prices) may significantly increase during periods of high demand. This may affect the hotel's standard room prices although the most significant changes will be noticed when booking superior room types. Prices in this brochure include airline rates applicable at the time of printing and although these rates will generally be available for the validity of the brochure, occasionally during periods of excess demand, when the relevant class is unavailable, we will book the next available fare class which may result in you paying a higher price than that promoted in this brochure. The government charges a levy to cover financial protection in the event of an airline failure and we automatically add this to your invoice total at the booking stage. Once you have confirmed your holiday booking, the price is protected subject to clause 2D of these booking conditions.

B. VAT and Exchange rates Our VAT Registration number is 503 944 749 and all prices quoted in this brochure include VAT where relevant (at 20% at time of going to press). The brochure prices of holidays were calculated using exchange rates quoted in the Financial Times Guide to World Currencies on 25 May 2012 in relation to the following currencies: Euro: 1.1296, US Dollar 1.5636, Moroccan Dirham 13.7890. Please note a) these rates are not comparable with note or tourist rates which are quoted in national newspapers b) hotel costs, transfers, resort representation, excursions, local taxes and part of the flight cost are typically paid in the currency of your holiday destination country. Aviation fuel is paid in US Dollars. All of these costs are affected by changes in the cost of buying foreign currency, as per exchange rates listed above. We reserve the right to increase our prices in accordance with these booking conditions.

C. Price Promise If you can find the same flight inclusive holiday at a cheaper price at the time that you book, we undertake to match the price and will give an additional £10 per adult saving off any competitor's price. In order to take advantage of our Price Promise, the component parts of the relevant holiday must be identical and we reserve the right to request confirmation in writing of the relevant competitor's holiday price. Our Price Promise cannot be actioned retrospectively after a booking has been made, and it is only available on new bookings made during the validity of this brochure. Unfortunately we cannot always match prices where we believe our competitors have made a pricing error or where they are offering the holiday arrangements at a price below their operating costs. If a competitor's price is greater than £150 per adult and/or £50 per child below our price, we deem one of these two scenarios to be true and will not honour our Price Promise.

D. Surcharges (after booking) Once you have booked, the price of your holiday travel arrangements may be varied due to changes in transportation costs such as fuel, scheduled airfares and any other airline cost changes which are part of the contract between airlines (and their agents) and the tour operator or organiser, and also in respect of government action such as changes in VAT or any other government imposed changes. In the case of any small variation, an amount equivalent to 2% of the price of your travel arrangements, and any amendment charges, will be absorbed or retained. For larger variations, this 2% will still be absorbed for increases but not retained from refunds. In either case there will be an administration charge of £1 per person together with an amount to cover agent's commission. In the unlikely event that this means that you have to pay an increase of more than 10% of the price of your holiday travel

arrangements, you may cancel your booking and receive a full refund of all monies paid, except for any amendment charges. Should you decide to cancel for this reason, you must exercise your right to do so within 14 days from the issue date printed on your final invoice.

3. If your booking is changed It is unlikely that your booking will have to be changed, but we do plan the arrangements many months in advance, therefore we reserve the right to do so at any time. Most of these changes are very minor, but where they are major, we will inform you or your travel agent as soon as reasonably possible if there is time before your departure. A major change is one that is made to a major part of your holiday arrangements before departure, such as a change of your departure airport (except between London airports), resort area or time of departure or return by more than twelve hours, or offering accommodation with a lower category rating. If we have to make a major change you have the choice of the following: A accepting the changed arrangements as notified to you, B purchasing another available holiday from us, or C cancelling your holiday and receiving a full refund of all monies paid.

Additionally, if we make a major change after you have paid the full balance of your holiday and you accept A, B or C you will be entitled to compensation on the scale shown below.

Period before scheduled departure within which a major change is notified to you or your travel agent:	Compensation per adult
More than 56 days	Nil
43-56 days	£20
29-42 days	£30
15-28 days	£40
0-14 days	£50

Important note Compensation payments do not apply to changes caused by reason of war or threat of war, riot, civil strife, terrorist activity, industrial disputes, natural and nuclear disasters, fire, or other circumstances that may amount to force majeure.

4. If your holiday is cancelled We reserve the right in any circumstance to cancel your holiday and, in this event, we will return to you all money you have paid us or will offer you an alternative holiday of comparable standard to purchase. In no case, except for those beyond our control, will your holiday be cancelled after the balance is paid and in such cases compensation will be paid per clause 3.

5. What happens to complaints Disputes arising out of, or in connection with, this contract which cannot be settled amicably may be referred to arbitration if the customer so wishes, under a special scheme arranged by the Association of British Travel Agents (ABTA). The ABTA scheme provides for a relatively simple and inexpensive method of arbitration on documents alone with restricted liability on the customer with regards to cost. Under the scheme, customers must pursue their claim within 12 months of the date of return from their holiday. (Outside this time limit, arbitration under the scheme may still be available if the Company agrees, although the ABTA scheme does not require such agreement). The scheme does not apply to claims for amounts greater than £5,000 per person or £25,000 per booking, neither does it apply to claims which are solely in respect of physical injury or illness or their consequences. However, the scheme can deal with compensation claims which include an element of minor injury or illness subject to a per person limit of £1,000 on the personal injury or illness element of the claim. Full details can be provided by us, or can be obtained from ABTA at www.abta.com.

6. Our responsibility for your holiday We accept responsibility for ensuring that all component parts of the inclusive holiday, limited to items included on confirmation invoice are supplied to you as described in this brochure and to a reasonable standard. If any such part is not provided to your satisfaction due to the fault of our employees, agents, or suppliers, we will pay you appropriate compensation if this has affected the enjoyment of your holiday (see important note in paragraph 3 above). Our liability in this respect is limited to a maximum of three times the value of the holiday. We must ask you however, to be patient and understanding in the event of unforeseen alterations to your holiday made by our suppliers over whom we have no direct control.

7. Excursions (whilst participating in arrangements made by us) Excursions or other tours that you may choose to book or pay for whilst you are on holiday are not part of the holiday provided by us. For any excursion or other tour that you book, your contract is with the operator of the excursion or tour and not with us and we are not responsible for the provision of the excursion or tour or for anything that happens during the course of its provision.

8. Personal Injury (whilst participating in arrangements made by us)

We have taken all reasonable and proper steps to ensure that proper arrangements have been made for all the holidays which are advertised in this brochure and that the suppliers of the various services which will be provided to you as part of the inclusive holiday are efficient, safe and reputable businesses, and that they comply with the local and national laws and regulations of the country in which they provide those services. We have no direct control over the provision of services to customers by suppliers. However, subject to the Notes below, we will pay to our customers the equivalent of such damages as they would be entitled to receive under English law in an English Court for any personal injury to the customer, including illness or death, caused by the negligence, as understood in English Law, of the servants or agents of ourselves or of any of our suppliers contracted or sub-contracted by us to provide any part of the arrangements for your holiday as described in this brochure. With regard to any relevant international convention for example, the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail, and the Paris Convention in respect of the provision of accommodation, which limit the amount of compensation that you can claim for death, injury, delay to passengers and loss, damage and delay to luggage, we are to be regarded as having all benefit of any limitation of compensation contained in these or any conventions. Copies of these can be made available on request.

Air Passenger Rights

Under EU law you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details of these rights will be publicised at EU airports and will also be available from airlines. However reimbursement in such cases is the responsibility of the airline and will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in paragraph 3. If your airline does not comply with these rules you should complain to the Air Transport Users' Council on 020 7240 6061 www.auc.org.uk

9. Personal Injury (Unconnected with travel arrangements made by us)

If you, or any member of your party, suffer death, illness or injury whilst overseas arising out of an activity which does not form part of your holiday arrangements or an excursion arranged through us, we shall at our discretion, offer advice, guidance and assistance. Where legal action is contemplated and you want our assistance, you must obtain our written consent prior to commencement of proceedings. Our consent will be given subject to you undertaking to assign any costs or benefits received, under any relevant insurance policy to ourselves. We limit the cost of our assistance to you or any member of your party to £5,000. Under your travel insurance cover, you must make an insurance claim under the legal expenses section in respect of any legal fees incurred abroad for that purpose.

Notes in respect of paragraphs 8 & 9 We would request that you (a) notify us of any claim for personal injury within 2 months of your return from holiday; (b) assign to Classic Collection Holidays any rights against a supplier or any other person or party you may have relating to the claim; and (c) agree to co-operate fully with us should our insurers wish to enforce those rights. This assignment is necessary to enable us to try to recover from suppliers any compensation paid to customers and associated costs as a result of personal injury to customers caused by the negligence of those suppliers. It is not our wish to profit from such assignment, and in the unlikely event of our recovering more than such compensation and costs, any excess will be paid to the injured customers.

Your commitment to Classic Collection Holidays

1. Your holiday contract As soon as your holiday booking is confirmed, you must sign a booking form accepting our booking conditions. Your contract is made on the terms of these booking conditions which are governed by English law and the jurisdiction of the English Courts. You may however choose the law and jurisdiction of Scotland or Northern Ireland if you wish to do so. Any disputes arising will be heard in the English Courts unless you prefer the courts of Scotland or Northern Ireland.

2. Payment for the holiday You pay a deposit of £150 per person (or 10% of total cost if greater, or an agreed sum to cover costs where flight seats are purchased at time of booking) when you book. This is your commitment until 8 weeks before departure when your final balance is due. **You must pay the balance at least 8 weeks before departure.** For bookings within 8 weeks to departure, full payment is required at time of booking. If payment is not received as above, we reserve the right to treat your booking as cancelled and your deposit/s would be forfeited. If you pay money for your holiday to an ABTA travel agent, they will hold that money as our agent from the time they receive it until they pay the money to us. **All credit card payments incur a charge** (1% at time of printing but subject to change)

3. If you change your booking If you want to change any details of your booking (eg transfer to a different holiday, departure date or airport), we will do our best to help as soon as we receive your request in writing. We charge an amendment fee of £25 per person named on the booking form for each detail of the booking changed and, in addition to the amendment fee, we will charge for any additional costs we incur in making the amendment/s. Please note that it is highly likely that amendment costs will increase the closer the change is made to your departure date.

IMPORTANT

Some travel arrangements (eg flight tickets purchased specifically from certain airlines and certain hotel bookings) may not be refundable or transferable after a reservation has been made and any alteration request may incur a cancellation charge of up to 100% of that particular part of the holiday arrangements.

Where the price varies depending on the number of persons travelling and the numbers are amended, the price will be recharged on the basis of the new party size. Any increase in price per person payable as a result of a part cancellation is not a cancellation charge and will not normally be covered by your chosen insurance. A separate cancellation charge will be levied in respect of bookings cancelled in accordance with paragraph 4 below. A new confirmation invoice will be issued as appropriate on which the cancellation charges will be shown.

4. If you cancel your booking You or any member of your party may cancel your booking, or part of it, once it has been confirmed, but the instructions will only be valid if in writing and signed by the person who signed the booking form. Your written instructions should go either to the travel agent you booked with, asking them to notify us immediately, or if you booked direct, to our address. To compensate us for the expense of processing your booking, payment of cancellation fees are on the scale shown. The amount payable (by whomever signed the booking form) depends on when we receive your written instructions.

Period before scheduled departure within which written holiday instructions are received by us	Amount of cancellation charge (shown as a % of total price)
More than 56 days	Deposit/initial payment
43-56 days	30% or deposit if greater
29-42 days	50% or deposit if greater
15-28 days	70% or deposit if greater
8-14 days	90% or deposit if greater
7 days to departure date or after	100%

NB. You may make a claim if your cancellation falls within the terms of your travel insurance policy.

5. If you have a complaint If you have a complaint about your holiday please refer the matter to the supplier immediately (airline, hotel, car hire etc). If further assistance is required our agent/representative in resort should be contacted. Matters can most easily be resolved for you on the spot, when the supplier can see and understand the exact nature of any problems you have. It is unreasonable to take no action whilst on holiday, then complain afterwards. In the unlikely event that matters cannot be resolved to your satisfaction our agent/representative will ask you to record details on a holiday report form of which you will be given a copy, and you must then follow up your report by writing to our Customer Services Department within 28 days of returning from resort.

6. Holiday participation We reserve the right to decline to accept or retain any person as a customer if their conduct is disruptive and affects the enjoyment of other holidaymakers, and we shall be under no liability for any extra costs incurred by such a person as a result of our doing so. Aircraft captains are legally entitled to deny boarding to any passenger presenting themselves at the aircraft who, at the captain's absolute discretion, are unacceptably under the influence of alcohol or drugs. Any passenger who is denied boarding on the outbound flight for that reason, shall be deemed to have given notice of cancellation of his/her booking at that moment, and cancellation charges will apply in accordance with paragraph 4.

7. Your accommodation The accommodation provided is only for the use of passengers shown on the confirmation invoice as confirmed by us; subletting, sharing or assignment is prohibited.

8. Your travel ticket conditions When you travel with an air or sea carrier, their conditions of carriage apply, some of which limit liability. These conditions are often the subject of international agreements between countries, and copies of the conditions which apply are available for inspection at the travel agent where you book your holiday.

9. Data Protection Act Classic Collection Holidays is registered under the Data Protection Act 1998 and will deal with all personal data you provide to us in accordance therewith. It is necessary for us to pass on your personal data to airlines, hotels, transportation companies, insurers and other agents in order to arrange the holiday you require. By making a booking or a booking enquiry with Classic Collection Holidays you have consented to allow the passing on of such data as we determine necessary for that purpose. Under the Data Protection Act, you have the right to inspect any relevant personal information held by us.
