PREPARE TO BE WOWED

Quantum of the Seas

Introducing Quantum of the Seas Designed to WOW:

Quantum Cruising Introduces More Innovation and Firsts at Sea Quantum of the Seas, Royal Caribbean's newest ship which will debut in fall 2014 will take a dramatic leap forward in ship design, entertainment and guest experiences. North Star, Quantum of the Seas' most distinctive feature, takes Royal Caribbean guests to new heights on a breath-taking journey more than 300 feet above sea level. Quantum of the Seas features

RipCord by iFly, the first-ever skydiving experience at sea where everyone from first-time flyers to seasoned skydivers can enjoy the sheer thrill and exhilaration of flying. On Royal Caribbean's Quantum of the Seas, SeaPlex features the first-ever bumper car experience at sea providing fun and thrills for guests of all ages.

HURTIGRUTEN

ENJOY LIFE

Experience the Northern Lights

There is no better way to experience the northern lights than by sailing along the sheltered coast aboard a ship from the Hurtigruten fleet. Winter voyages are very popular and are amazing adventures. As you would expect from Hurtigruten ships they feature a higher standard of design and décor. Hurtigruten are informal- no dressing up for dinner, no fuss, no frenzy. Their aim is to sail calmly through the crisp, clean air. An English speaking tour leader is onboard who will issue a daily programme and assist you with excursions. The emphasis onboard is on relaxation and escaping the commercial entertainment.
