Your Itinerary

Sail On Queen Elizabeth from Southampton – New York (Overnight stay) – Fort Lauderdale, transfer to Crown Princess - Grand Cayman - Island of Roatan, Honduras - Belize City – Cozumel - Fort Lauderdale – Fly UK

This is one grand expedition on 2 great ships. Firstly we experience the grandeur of Cunard's Queen Elizabeth, as we take a classical Transatlantic cruise in true British style, arriving past the statue of Liberty in New York, where we spend 2 full days and a night on board, giving time to explore the city that never sleeps, before we sail on south to Fort Lauderdale, where once in the Sunshine of Florida, we transfer to Princess Cruises Crown Princess, for a magical tour of the Caribbean before returning to Florida for our return flight to the UK.

Cunard's newest luxury ocean liner, Queen Elizabeth, or QE as she is affectionately known, arrived in October 2010 where she was named in a spectacular ceremony by Her Majesty The Queen. Recalling the rich heritage of the first Cunarder to bear the name, her elegance both echoes that legendary age and enhances her luxurious modern allure.

Crown Princess is one of the largest Princess ships, with room for 3,080 passengers. From her nearly 900 balconies, you can enjoy sweeping views of romantic landscapes across the Caribbean. After experiencing the relaxed comfort of our intimate onboard venues, however, you may not want to explore the beauty ashore! The serenity of The Sanctuary and the casual street café atmosphere of the Piazza may just reel you in for the day, while your nights might be filled with the great tasting food offered in the Crown Grill followed by a first-run film at Movies Under the Stars.
