DESTINATION SPOTLIGHT  
**MADRID**

Flights are year round, Tuesdays and Thursday departing from Glasgow

"Glasgow Airport has added Madrid, one of Europe's most popular capital cities, to its list of destinations. The new route will offer twice weekly direct flights between Glasgow and Madrid"

CULTURE

Madrid is one of Europe's most attractive cities for sight-seeing, with many historic buildings, squares and monuments. Stroll back in time through the narrow cobbled streets of old Madrid and appreciate the heart of the city Plaza Mayor - a tourist hotspot packed with street cafes, restaurants and street concerts.

ARTS

Exquisite art can also commonly be found in the forms of architecture, sculptures, and fountains along the Calle de Alcalá, Paseo del Prado, and throughout the city. Madrid's Avenue of Art is the city's crown jewel boasting THREE world-renowned museums. These Galleries are packed with masterpieces from famed artists such as Picasso, Velázquez, El Greco, and Rubens – A MUST SEE VISIT!

FOOD & DRINK

There are excellent restaurants and cool places for tapas. Choose local Spanish dishes and expect generous servings and reasonable prices. Spanish food should always be accompanied by good Spanish wine, ask about pre-booking a wine tour and appreciate the best Rioja, Ribera del Duero and more.

NIGHTLIFE

Madrid is one of the world's liveliest cities with nightlife to suit everybody. Disco's bars, pubs, restaurants and flamenco are in abundance. Don't forget to experience some typical chocolate con churros after your night on the tiles!

Spring and Autumn are the best times to travel, as Winters can be very cold and the Summers very hot.

# Cruising has never been such good value

As the fastest growing sector of the travel industry for the last few years, the number of people cruising continues to grow in 2012. And it comes as no surprise, a cruise offers great value for money!

No other holiday option gives you such good value for money with all main meals, transport, accommodation, entertainment, and kids club facilities all included. So this year, when planning your summer holiday, why not ask one of specialists to look at a cruise?

One of the best things about a cruise is the wonderful food, and all your meals are included. In general, for breakfast, lunch and dinner there is the a la carte option (order from a menu) or a full buffet option. The buffet option is more casual than going into the restaurant so if you do not feel like getting dressed up for dinner you don't have to. For some of the ships the buffet is open 24 hours.

Each night you will be given a newsletter detailing all the activities that will take place the following day. This may include arts and crafts, live music, trivia quizzes, recent release movies, and other deck games and deck parties. The great thing about doing a cruise is that you can do as much or as little as you like. At night the ship comes alive with fabulous West end shows, dancing and discos.

Rosie (Ayr Branch Manager) compares what's included in a land based and cruise holiday:

PRICES INCLUDES	LAND BASED HOLIDAY	CRUISE HOLIDAY
Accommodation	YES	YES
All Main Meals	NO	YES
Entertainment	NO	YES
Transport	NO	YES

In short a cruise represents great value for money!

Rosie Ayr Branch Manager

# European River Cruises

Great destinations, superb choice and fantastic value!

If your idea of a great holiday is time for rest and relaxation, a river cruise is ideal. Travel on some of the world's most picturesque waterways, and as river cruise ships are smaller than some of the big cruise ships, you can get closer to the centre of your ports of call. You'll see places that would otherwise be inaccessible - so it's a great way to explore.

**SAVE £100 PER COUPLE**  
MUST BOOK BY 31 JAN 2012

"I have hand-picked the best river cruises deals with flights direct from Glasgow. They offer great value for money, with all meals and entertainment onboard included." Elaine Prestwick Branch

# LANZAROTE DESTINATION SPOTLIGHT

*For a hassle free holiday with lots of sunshine – we recommend you try Lanzarote in 2012!*

Lanzarote is situated just 79 miles off the coast of Africa, enjoying a warm climate with average daytime temperatures ranging from about 21°C in January to 29°C in August. This makes Lanzarote the perfect year-round destination.

You can fly right from your doorstep – Glasgow and Prestwick airports offer flights year round in 2012. The Island itself is very easy to get around and all main resorts are close to the airport, so no long transfers – it couldn't be easier.

**Los Pocillos & Matagorda - 10 minute transfer**  
Matagorda is now connected to los Pocillos via a promenade. It is a recent development and thus contains a very high standard of modern accommodation. The resort has one commercial centre, Commercial Centre Matagorda, which has on offer numerous restaurants, bars and shops.

**Playa Blanca - 1 hour transfer**

Playa Blanca, located at the southern tip of Lanzarote, was until recently a small fishing port, it is now Lanzarote's second most popular resort. A large proportion of the accommodation is bungalows and villas so there is no shortage of places to eat. Nightlife is low key.

**Puerto del Carmen - 20 minute transfer**

Situated on the East Coast, Puerto del Carmen is the busiest resort on the Island. The new town of Puerto Del Carmen offers a fantastic variety of both daytime and night-time activities, bar restaurants & entertainment. The old town is very picturesque.

**Costa Teguis - 30 minute transfer**

Costa Teguis, located north of Arrecife, is Lanzarote's third busiest resort. It is a pleasant tranquil resort, which has developed over the past fifteen years. The standard of accommodation is extremely high and plays host to not only many four star hotels but five stars as well.

## FLYING FROM PRESTWICK OR GLASGOW YEAR ROUND IN 2012!

*"Lanzarote offers everything you could wish for from a holiday. From a fun filled activity packed family holiday to the calm relaxing tranquility of just getting away and soaking up the sunshine."*

Donna Prestwick Branch Manager
