## SENSIBLE PRICE MATCHING POLICY

In the unlikely event that you find a like-for-like holiday package cheaper than what we have quoted, we promise to do our utmost to match the price for you. However, please note, it is within our right to deem a price of our competitor "not sensible", i.e. a price where we feel that our competitor either may have made a mistake in calculating their prices or indeed where we feel the competitor is pricing the holiday at lower than its costs.

## FLUID PRICING AND USING THIS BROCHURE

Cyplon Holidays adopts a completely fluid method of pricing for its holidays. In simple terms this means we don't fix the prices of our holidays from the outset and if any of the prices of our holiday elements, such as air fares or hotel rates, are reduced [as they do second by second] then you can expect to see a lower cost for your holiday. In this way our prices will always be more accurate and therefore more competitive. Please note that whilst the prices we display in our brochure are prepared with the utmost care and attention, they are to be used for **guideline purposes only**. To obtain a detailed quotation of your holiday cost, kindly contact your local travel agent or call our reservations team on 020 8340 7612, or visit our website [www.cyplon.co.uk](http://www.cyplon.co.uk).

# WELCOME TO SICILY

The largest island in the Mediterranean, Sicily is located just off the tip of Italy's 'boot'. As an island Sicily boasts its own vibe whilst the culture is classically Italian, however after some 25 centuries of occupation by Phoenicians, Greeks, Carthaginians, Romans and Arabs; the island has inherited influences in cuisine, art and architecture from a mixture of cultures. Sicily's rich heritage is matched by an astonishing variety of landscape from the tallest active volcano in Europe, Mt. Etna, to mountains and coastline coves with sandy and pebbled beaches. Given the island has a landscape that reflects a very rich history and diverse natural surroundings, for those who want the perfect mix of outdoor adventures and immersive culture, Sicily is a fine travel destination. If nothing else, the famously divine Sicilian cuisine which fuses the best of Italy with influences from afar will certainly win you over.

Average Temperature:	29°C
Average Transfer Time:	1 Hour

## SICILIAN CUISINE

Being an island and surrounded by water, Sicily's kitchens and menus are packed with fresh fish and seafood courtesy of the Mediterranean Sea. Whilst much of Sicilian cuisine is comparable to Italian cuisine, distinct influences have also been derived from Greek (olives, pistachios and fresh vegetables) and Arab (raisins, cinnamon and saffron) cuisines. Traditional recipes are wonderfully preserved and one of the best ways to sample Sicilian cuisine is on the streets with every village, town and city having its own food market. Five course meals are the norm here consisting of an appetiser, first course (mostly pasta), second course, salad and dessert.

## WEATHER IN SICILY

Sicily enjoys a typical Mediterranean climate. Summer months are dry and hot and the days are full of sunshine. Temperatures in June can reach around 25°C and climb to around 30°C in July and August before falling back to 26°C in September. May and October still enjoy comfortable temperatures of around 20°C and whilst these months are mostly sunny, there is a small increase in the chance of rainfall. Given Sicily's mountainous topography, there can be some slight regional variations in the climate.

## BEACHES IN SICILY

You will find a variety of beaches in Sicily, from golden stretches of sandy beaches to serene pebble coves. There are simply far too many gorgeous beaches spread around the island's entire coastline to mention. However, what is guaranteed is that whatever kind of beach you are looking for, you will find your idyllic place to enjoy the crystal-clear blue and turquoise waters that surround the island.

## LUXURY IN SICILY

Sicilian luxury, just like everything else on the island including its cuisine and the Sicilian people, certainly has its own style. Luxury hotels on the island tend to follow a style of old-world elegance and glamour. Many of the luxury hotels tend to be smaller boutique style hotels, more than making up for what they lack in size with charm and real Sicilian personality. Even the more modern hotels pay homage to the islands heritage in some way, giving guests a true sense of where they are in the world.

# INTRODUCING RESORTS IN SICILY

Sicily is such a diverse island. Its history is long and varied and this is reflected in the regional differences of the island. Starting with Palermo, the island's capital, this dense and fiery city is a treasure chest of history, culture and architecture. Taormina is undoubtedly Sicily's main tourist attraction, with its panoramic hill-side location and illustrious past attracting artists, celebrities and aristocracy alike, Taormina is Sicily's most fashionable town. Cefalù and Giardini Naxos are also popular sea-side towns and Siracusa and Ragusa are steeped in history, with both claiming a UNESCO World Heritage Site title. Mazara del Vallo shows a different side to Sicily with its strong north African influences. Finally, for those wanting a different experience altogether, the Aeolian island of Vulcano is just off Sicily's north coast, offering visitors a stay surrounded by true volcanic beauty.

## TAORMINA

For over 100 years, the small town of Taormina has been Sicily's most fashionable hot-spot, attracting tourists & celebrities alike. Located on the north-east coast of Sicily, Taormina is perched high on a hillside overlooking the Ionian Sea & offering magnificent sea views. Taormina is a melting-pot of the old & the new. Once a thriving ancient Greek and Roman town, its history is evident in its buildings & winding cobbled streets, which now play host to luxury hotels & boutiques.

## RAGUSA

Considered to be one of Sicily's most picturesque towns, Ragusa is another of Sicily's UNESCO World Heritage Sites. After much of Sicily's south-east was destroyed by a large earthquake in 1693, 2 parts of the town formed, the more modern area which was built from scratch and the older part which rose from the ruins of the original town.

## GIARDINI NAXOS

Giardini Naxos is a sleepy seaside town located just 9km south of Taormina. The town boasts a beautiful beach and stunning views of Taormina and the surrounding hills. For many the attraction of Giardini Naxos is its proximity to Taormina, close enough to enjoy but far enough for a more restful stay in Sicily.

## MAZARA DEL VALLO

This town is one of Italy's main fishing harbours and retains Arab and north African influences that can be seen in its architecture and the old city centre. Established by ancient Arab occupiers, is referred to even today as 'Kasbah'.

## RIPOSTO

Riposto finds itself between Taormina and Catania and in the shadow of Mt Etna. This small commune on Sicily's east coast facing the Ionian Sea. This is a great destination for outdoor activities and enjoying the surrounding nature.

## PALERMO

Located on the north-west coast of the island, Palermo is the capital city of Sicily. Dating back over 2,700 years, Palermo is a dense, rich melting pot of ancient architecture, cultural influences and artistic importance. This beautiful city is one of the most popular destinations on the island offering numerous historical points of interest, colourful street life and bustling markets. Palermo is a renowned gastronomic destination with some of the best street food in the world.

## LINGUAGLOSSA

Linguaglossa is a small town in Sicily's north-east. Linguaglossa can literally be translated as 'Tongue Tongue', Lingua being Italian for Tongue and Glossa being the Greek derivative. This small town of around 6,000 people is a commune for the Mt. Etna National Park, of which the town lies just outside of. Visitors will enjoy stunning natural surroundings making this an ideal stop-over for those wishing to trek on Mt Etna.

## CEFALÙ

Around 75km to the East of Palermo along Sicily's northern coast is the picturesque town of Cefalù. One of Cefalù's main tourist attractions is a glorious long stretch of sandy beach. Cefalù is also a historic town and boasts some impressive ancient architecture including the famous Norman Cathedral. This pretty town with its medieval buildings, quaint harbour, romantic cobbled streets and beautiful beach is one of Sicily's most popular tourist destinations.

## SIRACUSA

Siracusa is a great destination for history lovers and is famous for its rich Ancient Greek influences and architecture. It is a fine cultural destination and is listed as a UNESCO World Heritage Site to prove it. Siracusa makes for a fascinating base to explore Sicily's historic south-east region.

## VULCANO ISLAND

As its name suggests, Vulcano is a small volcanic island and is one of eight Aeolian islands which lie to the north of Sicily. This island of incredible beauty featured in ancient Greek mythology and was thought to be the chimney of the fire god Vulcan's workshop. The island is famous for its therapeutic mud-baths and volcanic hot springs. Vulcano is an ideal destination for nature lovers seeking tranquility on a unique island setting.

# WELCOME TO SARDINIA

From its pristine white-sand beaches and crystal-clear turquoise waters to the rugged Gennargentu mountain range and the blissful nature reserves of Asinara, every inch of this incredible island is raw and unspoiled. Sardinia is the second largest island in the Mediterranean and it's perhaps Italy's best kept secret for those who are not yet in the know. Sardinia is located in the Mediterranean with Italy to its right, Spain to its left and the French island of Corsica to the north. Culture here is quintessentially Italian – top notch food, fine wine, friendly people and unbeatable hospitality – but Sardinians as islanders have their own very unique charm. Sardinians are known for their loving nature and wherever you end up on your Sardinian adventure, you'll be met with warmth and kindness. With the island's outstanding beaches considered to be some of the best in the world, Sardinia is an easy option for those wanting an up-class beach holiday on a laid back, rural island bursting with Italian flair.

## SARDINIAN CUISINE

Despite being an island, traditional Sardinian cuisine relied heavily on the produce of the land rather than the sea. This is due to Sardinia's coastal regions being susceptible to invasion and so its inhabitants took refuge in the mountainous regions on the island. Sardinian lamb is known for being one of the best in Italy with approximately 3 million sheep inhabiting the island. A truly iconic Sardinian dish is suckling pig roasted outdoors over aromatic woods. Modern times have changed the dynamics of Sardinian cuisine and now fresh fish is largely incorporated on the island's dinner tables. Sardinia also boasts its own varieties of pasta and with such a large population of sheep, cheese made with sheeps' milk is a staple.

## WEATHER IN SARDINIA

Sardinia enjoys a typically Mediterranean climate. Summers are hot and days are filled with sunshine. July and August are the hottest months on the island with temperatures reaching 30°C, however given the island's topography and geographical location, the coastal area benefit from a cooling sea-breeze, making the island very agreeable during the height of summer. Shoulder months will still enjoy comfortable weather with highs of around 20°C with a higher chance of some rainfall in April and October.

## BEACHES IN SARDINIA

Sardinian beaches are some of the best in the world. With glistening white sand and stunning turquoise waters that are more akin to the beaches in the Caribbean rather than the Mediterranean. It is little wonder why Sardinia is referred to as 'the island of a thousand beautiful beaches'. The Sardinian coastline measures over 1,850km and whichever part of the island's coast you are visiting, you are bound to be near a beach that will take your breath away.

## LUXURY IN SARDINIA

Luxury in Sardinia is distinctly laid back. In keeping with the island's relaxed theme, luxury hotels here maintain an understated elegance and sophistication. Sardinia's rustic charm and rural hospitality can be felt at even the very best hotels on the island and in most cases Sardinia's stunning beaches and natural landscapes are left to speak for themselves.

# INTRODUCING RESORTS IN SARDINIA

**S**ardinia is an island that is renowned and revered for its sensational white sandy beaches and turquoise-green waters. It is little wonder then that most of Sardinia's main tourist resorts make the most of this. Arguably Sardinia's most popular tourist area and definitely its most glamorous is Costa Smeralda, 'Emerald Coast', in the north-east corner of the island. For mega-yachts, exclusive restaurants, bars and celebrity watching, this is the place to be. As you travel south along the island's east coast, you will find equally beautiful towns and resorts but certainly less expensive, including Sardinia's capital Olbia, San Teodoro and in the south-east corner of Sardinia, Villasimius. All offer stunning beaches and come to life during the summer months. Southern Sardinia boasts some of the best beaches on the island and very exclusive hotels found in Chia and Santa Margherita di Pula. For those wanting a hit of true Sardinian culture and natural beauty, the inland town of Oliena is an ideal destination.

## SANTA MARGHERITA DI PULA

Santa Margherita di Pula is an extremely popular holiday destination in southern Sardinia, famous for its marvellous beaches. This small commune is almost entirely made up of beachside villas and the most exclusive resort in Sardinia, Forte Village. Both locals and tourists frequent this area during the summer months. The more established town of Pula is just a short drive away.

## VILLASIMIUS

Villasimius is located on the south-eastern corner of Sardinia. This small seaside town of just 3,000 inhabitants flourishes during the summer months. Villasimius enjoys some of the best beaches on the island, surrounding natural beauty and an old town offering plenty of quaint restaurants and shops as well as a selection of quality hotels. With much to offer, Villasimius has become one of the most popular tourist destinations in Sardinia.

## OLIENA

Oliena is a little gem of a town located in the centre of Sardinia that was established during the Roman Empire. Nestled between mountains and surrounded by woods, Oliena is an ideal destination for nature lovers who will be able to immerse themselves in the surrounding natural beauty, enjoy a plethora of outdoor activities and indulge in rich Sardinian culture.

## SAN TEODORO

Once a small fishing village, San Teodoro is now a thriving beach resort. Located on the north-east coast of Sardinia and around half an hour's drive south from Olbia, San Teodoro is a fine destination to enjoy fabulous beaches, watersports and a buzzing nightlife. Whilst it is considered as a luxurious destination, it is a more affordable alternative to the mega-bucks resort of Costa Smeralda.

## CHIA

Located in one of Sardinia's most southern points, Chia boasts incredible 9km stretch of white sandy beach, one of the best not only on the island but in the world. Chia itself is a quaint seaside town which is inevitably best known for its stunning beach and sand dunes. This is a perfect location for a peaceful Sardinian beach holiday. For a wide selection of restaurants and shops the town of Pula is just a 15-minute drive away.

## OLBIA/CAPO CERASO

Olbia is a thriving port city located in the north-east of Sardinia. Olbia is one of the economic and administrative centres of the island and has one of Sardinia's main international airports. Olbia itself has plenty to offer tourists in terms of history, culture and authentic dining outlets, whilst smaller coastal towns within the Olbia region provide some wonderful beach side hotels.

## COSTA SMERALDA:

BAJA SARDINIA | PORTO CERVO  
PORTO ROTONDO | GOLFO ARANCI

'Costa Smeralda' or 'Emerald Coast' is named after the spectacular green-turquoise waters that the coastline enjoys. The development of this region of Sardinia, which comprises a 10km stretch of coastline in the north-east of Sardinia, began in 1962 when a wealthy businessman established a consortium to purchase an unspoiled strip of coastline. Today the Costa Smeralda is one of the most glamorous and expensive destinations in the world.

## SARDINIA ESCORTED TOURS AND "FLY & DRIVE"

Most people associate Sardinia with sumptuous cuisine, incredible beaches and exclusive resorts. In many ways they are not wrong to do so, but so often overlooked and under-appreciated is Sardinia's long history, traditional culture and stunning natural terrain. One way to discover the lesser-known sides of Sardinia is to participate on our 7-night 'The Mystery Island' Escorted Coach Tour which will introduce you to the island's ancient sites, mesmerising landscapes and the fabric that makes-up Sardinian culture. The 2-night 'Mini Tour' is a more condensed version to give you an unforgettable taste of the island and is ideal to be twinned with a relaxing beach holiday. For those wanting to discover the heart of this beautiful island but enjoy a little more independence, a 'Fly & Drive' itinerary is perfect. Drive along the island's most scenic routes, stopping off in quaint villages and sampling some mouth-watering local cuisine at your leisure. Below you will find a sample 'Fly & Drive' itinerary to whet your appetite.

# TERMS & CONDITIONS

Your contractual agreement is with Cyplon Travel Limited. It has been structured, in the interest of fair trading, to safeguard your holiday arrangements.

## 1. YOUR HOLIDAY CONTRACT

When you make a booking you guarantee that you have the authority to accept and do accept on behalf of your party the terms of these booking conditions. A contract will exist as soon as we issue our confirmation invoice. This contract is made on the terms of these booking conditions, which are governed by English Law, and the jurisdiction of the English Courts.

## 2. YOUR FINANCIAL PROTECTION

We provide full financial protection for our package holidays, by way of our Air Travel Organiser's Licence number 0891. When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. We will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where we aren't able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, The Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

## 3. ABTA

We are a Member of ABTA, membership number V5573. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. We can also offer you ABTA's scheme for the resolution of disputes which is approved by the Chartered Trading Standards Institute. If we can't resolve your complaint, go to [www.abta.com](http://www.abta.com) to use ABTA's simple procedure. Further information on the Code and ABTA's assistance in resolving disputes can be found on [www.abta.com](http://www.abta.com).

## 4. YOUR HOLIDAY PRICE

The prices shown in our brochure are for guidance only. We have adopted a completely fluid method of pricing our holidays (i.e. our prices may change second by second to reflect ever changing airfares, hotel rates etc.) Therefore, our prices will be more accurate. You will be advised of the current price of the holiday that you wish to book before your contract is confirmed.

When you make a booking you must pay a non-refundable deposit of £100 per person plus an agreed amount for flight seats purchased at time of booking. An additional non-refundable deposit will be required for a Wedding or Cruise and it may differ for a group booking. The balance of the price of your travel arrangements must be paid at least 10 weeks before your departure date. If you are booking late i.e. within 10 weeks of departure full payment will be required. If the deposit and/or balance is not paid in time, we shall cancel your travel arrangements. If the balance is not paid in time we shall retain your deposit. Changes in transportation costs, including the cost of fuel, dues, taxes or fees chargeable for services such as landing taxes or embarkation or disembarkation fees at ports and airports and exchange rates mean that the price of your travel arrangements may change after you have booked. However there will be no change within 30 days of your departure.

We will absorb and you will not be charged for any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums and any amendment charges. You will be charged for the amount over and above that, plus an administration charge of £1.00 per person together with an amount to cover agents' commission. If this means that you have to pay an increase of more than 10% of the price of your travel arrangements, you will have the option of accepting a change to another holiday if we are able to offer one (if this is of equivalent or higher quality you will not have to pay more but if it is of lower quality you will be refunded the difference in price), or cancelling and receiving a full refund of all monies paid, except for any amendment charges. Should you decide to cancel for this reason, you must exercise your right to do so within 14 days from the invoice. Should the price of your holiday go down due to the changes mentioned above, by more than 2% of your holiday cost, then any refund due will be paid to you. However please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place.

When you buy a flight-based holiday, all monies you pay to the travel agent are held by the agent on behalf and for the benefit of the Trustees of the Air Travel Trust at all times. This is subject to the agent's obligation to pay it to us for so long as we do not fail. If we fail, any money held at that time by the agent, or subsequently accepted from you by him, is and continues to be held on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us. When you buy a holiday not including a flight, all monies you pay to the travel agent are held by him on our behalf at all times.

In the unlikely event of a genuine costing error caused by either our reservations team or in house booking system, or appearing on your confirmation invoice, we reserve the right to amend accordingly. Similarly, we undertake to refund any overcharge caused by such an error.

## 5. IF YOU CHANGE YOUR BOOKING

If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way, for example your chosen departure date or accommodation, we will do our utmost to make these changes, provided they refer to the same holiday season, but this may not always be possible. Any request for changes to be made must be in writing from the person who made the booking or your travel agent. You will be asked to pay an administration charge of £25 per person and any further cost we incur in making this alteration. You should be aware that these costs could increase the closer to the departure date that changes are made and you should contact us as soon as possible.

**NOTE:** Certain travel arrangements (e.g. Apex Tickets) may not be changeable after a reservation has been made and any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements. Furthermore if your booking changes because someone in your party cancels this may increase the overall cost of the holiday as it may be necessary to levy under-occupancy or single room supplements.

## 6. IF YOU CANCEL YOUR HOLIDAY

You, or any member of your party, may cancel your travel arrangements at any time. Written notification from the person who made the booking or your travel agent on your behalf must be received at our offices. Since we incur costs in cancelling your travel arrangements, you will have to pay the cancellation charges shown below.

**NOTE:** If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges.

## CANCELLATION CHARGES

Written Notification Period	Amount Payable
<b>Prior to Departure</b>	
<b>MORE THAN 70 DAYS DEPOSIT ONLY</b>	<b>30% of holiday cost or deposit if greater</b>
<b>70-57 DAYS</b>	<b>50% "</b>
<b>56 - 29 DAYS</b>	<b>28 - 15 DAYS</b>
<b>14 - 8 DAYS</b>	<b>7%</b>
<b>7 DAYS OR LESS</b>	<b>100% of holiday cost</b>

The above charges may differ for group bookings as well as special promotional offers and you will be advised at time of booking.

## 7. IF WE CHANGE OR CANCEL YOUR HOLIDAY

As we plan your holiday arrangements many months in advance we may occasionally have to make changes or cancel your booking and we reserve the right to do so at any time. **Changes** - If we make a major change to your holiday, we will inform you or your travel agent as soon as reasonably possible if there is time before your departure. You will have the choice of either accepting the change of arrangements, accepting an offer of alternative travel arrangements of comparable standard from us if available (we will refund any price difference if the alternative is of a lower value), or cancelling your holiday and receiving a full refund of all monies paid. In some cases we will also pay compensation (see below). These options don't apply for minor changes. Examples of minor changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same or higher standard, changes of carriers. Please note that carriers such as airlines used in the brochure may be subject to change. Cancellation - We will not cancel your travel arrangements less than 10 weeks before your departure date, except for reasons of **force majeure** or failure by you to pay the final balance. We may cancel your holiday before this date if, e.g., The minimum number of clients required for a particular travel arrangement is not reached. If your holiday is cancelled you can either have a refund of all monies paid or accept an offer of alternative travel arrangements of comparable standard from us, if available (we will refund any price difference if the alternative is of a lower value). In some cases we will pay compensation. **Compensation** - If we cancel or make a major change we will pay compensation as detailed below except where the major change or cancellation arises due to reasons of **force majeure**. The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

If we Cancel or make a major change to your holiday	Amount you will receive
Period before departure	from us
We notify you	

<b>MORE THAN (70) DAYS</b>	<b>NIL</b>
<b>(70 - 57) days</b>	<b>£5</b>

<b>(28 - 15) days</b>	<b>£15</b>
<b>(14 - 8) days</b>	<b>£20</b>
<b>7 days or less</b>	<b>£25</b>

**Force Majeure** We will not pay you compensation if we have to cancel or change your travel arrangements in any way because of unusual or unforeseeable circumstances beyond our control. These can include, for example, war, riot, industrial dispute, terrorist activity and its consequences, natural or nuclear disaster, fire, adverse weather conditions, epidemics and pandemics, unavoidable technical problems with transport.

## 8. IF YOU HAVE A COMPLAINT

If you have a problem during your holiday, please inform the relevant supplier (e.g. your hotelier) and our resort representative immediately who will endeavour to put things right. If your complaint is not resolved locally, please follow this up within 28 days of your return home by sending an e-mail to our Customer Services Department at [sales@cyplon.co.uk](mailto:sales@cyplon.co.uk), giving your booking reference and all other relevant information. Please keep your letter concise and to the point. It is strongly recommended that you communicate any complaint to the supplier of the services in question as well as to our representative without delay and complete a report form whilst in resort. If you fail to follow this simple procedure we will have been deprived of the opportunity to investigate and rectify your complaint whilst you were in resort and this may affect your rights under this contract. Please also see clause 3 above on ABTA.

## 9. OUR LIABILITY TO YOU

If the contract we have with you is not performed or is improperly performed by us or our suppliers we will pay you appropriate compensation if this has affected the enjoyment of your travel arrangements. However we will not be liable where any failure in the performance of the contract is due to you; or a third party unconnected with the provision of the travel arrangements and where the failure is unforeseeable or unavoidable; or unusual and unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised; or an event which we or our suppliers, even with all due care, could not foresee or forestall. Our liability, except in cases involving death, injury or illness, shall be limited to a maximum of two times the cost of your travel arrangements. Our liability will also be limited in accordance with and/or in an identical manner to:

- The contractual terms of the companies that provide the transportation for your travel arrangements. These terms are incorporated into this contract; and
- Any relevant international convention, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail and the Paris Convention in respect of the provision of accommodation, which limit the amount of compensation that you can claim for death, injury, delay to passengers and loss, damage and delay to luggage. We are to be regarded as having all benefit of any limitation of compensation contained in these or any conventions.

You can ask for copies of the transport companies' contractual terms, or the international conventions, from our offices at Cyplon Holidays, 246 Green Lanes, Palmers Green, London N13 5XT. Telephone 020 8340 7612. Under EU law (Regulation 261/2004) you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details of these rights will be published at EU airports and will also be available from airlines. However reimbursement in such cases will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in clause 7. If any payments to you are due from us, any payment made to you by the airline will be deducted from this amount.

**NB this clause does not apply to any separate contracts that you may enter into for excursions or activities whilst on holiday.**

## 10. PROMPT ASSISTANCE IN RESORT

If the contract we have with you is not performed or is improperly performed as a result of failures attributable to a third party unconnected with the provision of the services, or as a result of failures due to unusual and unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised, or an event which we or our suppliers, even with all due care, could not foresee or forestall, and you suffer an injury or other material loss, we will offer you such prompt assistance as is reasonable in the circumstances.

## 11. PASSPORT, VISA AND IMMIGRATION REQUIREMENTS

Your specific passport and visa requirements, and other immigration requirements are your responsibility and you should confirm these with the relevant Embassies and/or Consulates. We do not accept any responsibility if you cannot travel because you have not complied with any passport, visa or immigration requirements.

## 12. EXCURSIONS

Excursions or other tours that you may choose to book or pay for whilst you are on holiday are not part of your package holiday provided by us. For any excursion or other tour that you book, your contract will be with the operator of the excursion or tour and not with us. We are not responsible for the provision of the excursion or tour or for anything that happens during the course of its provision by the operator.

## 13. DATA PROTECTION STATEMENT

Please be assured that we have measures in place to protect the personal booking information held by us. This information will be passed on to the principal and to the relevant suppliers of your travel arrangements. The information may also be provided to public authorities such as customs or immigration if required by them, or as required by law. Certain information may also be passed on to security or credit checking companies. If you travel outside the European Economic Area, controls on data protection may not be as strong as the legal requirements in this country. We will only pass your information on to persons responsible for your travel arrangements. This applies to any sensitive information that you give to us such as details of any disabilities, or dietary/religious requirements. (If we cannot pass this information to the relevant suppliers, whether in the EEA or not, we will be unable to provide your booking. In making this booking, you consent to this information being passed on to the relevant persons.)

## 14. PASSENGER CONDUCT

We reserve the right to refuse to accept you as a customer, or to continue dealing with you if your behaviour is disruptive or affects other holidaymakers, or is threatening or abusive towards our staff or agents in the UK or in resort, on the telephone, in writing or in person. In such circumstances no refunds or compensation will be paid to you. Civil or criminal proceedings may be instigated.
